Grade Level/Subject: 5 <sup>th</sup> Grade/Reading	Central Focus: Comprehension—Identify story elements	
Essential Standard/Common Core Objective: CCSS.ELA-LITERACY.RL.5.1 Quote accurately from a text when <u>explaining</u> what the text says explicitly and when drawing inferences from the text.	Date submitted: April 8 <sup>th</sup> , 2014 Date taught: March 17 <sup>th</sup> – 18 <sup>th</sup> , 2014	
Daily Lesson Objective: When given a newspaper with four articles, students will be able to explain what the text is about, identifying two or more main ideas, as well as explaining relationships between two concepts in history. To be successful, students must complete a twelve question quiz with at least 90% accuracy.		
21 <sup>st</sup> Century Skills: "US Studies Weekly" newspaper "US Studies Weekly" website	Academic Language Demand (Language Function and Vocabulary): Language function: Explain Essential Vocabulary: Story timeline Syntax: Using the components within the story timeline to explain the important details of the article(s) helps check for comprehension and understanding of the text. Discourse: If the language function is to explain the story elements within a story, then appropriate language forms could include complete sentences, the use of dialogue, the use of description, and the use of the main character. One example of the main character in "Declaring Independence" is Thomas Jefferson and how he was one of the writers for the <i>Declaration of Independence</i> , which suggest that the character plays an important part in creating this great document.	
Prior Knowledge: Based on ELA CCSS RL 1, RL 2, and RL 3, students should be able to refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text. Determine a theme of a story, drama, or poem from details in the text; summarize the text, and describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions).		

Activity	Description of Activities and Setting	Time
