

A young man and woman are lying on their stomachs on a grassy field. The man is on the left, wearing a grey t-shirt, and the woman is on the right, wearing a white tank top. They are both looking at each other with their faces very close, as if about to kiss. The background is a soft-focus green field.

Lessons For The Fault In Our Stars:

Using Literature to Learn and Teach Language Carol Griffiths, 2024-04-30 This accessibly written textbook uses the intrinsic appeal of a story to engage students with language and provides teachers with the background knowledge and the skills to use literature to construct lessons for their classes which integrate all four skills plus language awareness in an enjoyable way Although a number of books and studies have examined the value of using literature to learn language literature remains under represented as a language learning resource The author argues that the accumulated body of literature represents a bottomless pit of potential material just waiting to be recognised and enjoyed From a teacher s point of view a lesson based on a literary work can provide an integrated approach to language development which few other approaches can match A piece of literature can be used to develop all four skills both receptive and productive reading writing listening speaking as well as production skills and language awareness This book will be an essential resource for pre service and in service teachers teacher trainers students and scholars of Applied Linguistics Language Education TESOL and related subjects *Reading Children's Literature: A Critical Introduction - Second Edition* Carrie Hintz, Eric L.

Tribunella, 2019-03-28 *Reading Children's Literature* offers insights into the major discussions and debates currently animating the field of children's literature Informed by recent scholarship and interest in cultural studies and critical theory it is a compact core text that introduces students to the historical contexts genres and issues of children's literature A beautifully designed and illustrated supplement to individual literary works assigned it also provides apparatus that makes it a complete resource for working with children's literature during and after the course The second edition includes a new chapter on children's literature and popular culture including film television and merchandising and has been updated throughout to reflect recent scholarship and new offerings in children's media Teaching the Tough Issues Jacqueline

Darvin, 2015-04-24 This book introduces a groundbreaking teaching method intended to help English social studies and humanities teachers address difficult or controversial topics in their secondary classrooms Because these issues are rarely addressed in teacher preparation programs few teachers feel confident facilitating conversations around culturally and politically sensitive issues in ways that honor their diverse students voices and lead to critical transformative thinking The author describes a four step method to help teachers structure discussions and written assignments while concurrently assisting them in addressing Common Core State Standards Designed to aid students in both developing their own viewpoints on contentious issues and in actively critiquing those of their teachers and peers these practices will enhance any humanities curriculum **Tarbell's Lessons in Language** Horace Sumner Tarbell, 1891 Lessons in Practical Elocution, Voice and Action, Course I.
