Kundera,2023-07-18 Slender but weighty What is moving about this novel is its embrace of what has always driven Kundera the delicate state of living between being and nothingness Boston Globe From the internationally acclaimed bestselling author of The Unbearable Lightness of Being an entertaining and enchanting novel a fitting capstone on an extraordinary career Slate Casting light on the most serious of problems and at the same time saying not one serious sentence being fascinated by the reality of the contemporary world and at the same time completely avoiding realism that s The Festival of Insignificance Readers who know Milan Kundera s earlier books know that the wish to incorporate an element of the unserious in a novel is not at all unexpected of him In Immortality Goethe and Hemingway stroll through several chapters together talking and laughing And in Slowness Vera the author s wife says to her husband you ve often told me you meant to write a book one day that would have not a single serious word in it I warn you watch out Your enemies are lying in wait Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work A strange sort of summation Strange sort of epilogue Strange sort of laughter inspired by our time which is comical because it has lost all sense of humor What more can we say Nothing Just read **Slowness** Milan

Kundera,1997-04-11 Milan Kundera s lightest novel a divertimento an opera buffa Slowness is also the first of this author s fictional works to have been written in French Disconcerted and enchanted the reader follows the narrator of Slowness through a midsummer s night in which two tales of seduction separated by more than two hundred years interweave and oscillate between the sublime and the comic Underlying this libertine fantasy is a profound meditation on contemporary life about the secret bond between slowness and memory about the connection between our era s desire to forget and the way we have given ourselves over to the demon of speed And about dancers possessed by the passion to be seen for whom life is merely a perpetual show emptied of every intimacy and every joy **The Book of Laughter and Forgetting** Milan

Kundera,1999-04-07 Rich in its stories characters and imaginative range The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s Like all his work it is valuable for far more than its historical implications In seven wonderfully integrated parts different aspects of human existence are magnified and reduced reordered and emphasized newly examined analyzed and experienced **Immortality** Milan Kundera,1999-10-20

Milan Kundera s sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert s Emma or Tolstoy s Anna Kundera s Agnes becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera s supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence **Difference and Repetition in Milan Kundera's The Unbearable Lightness of Being** Han-bin

Kundera,1999-04-21 There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own This also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With stunning artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude Of all contemporary writers only Kundera can transform such a hidden and disconcerting perception into the material for a novel one of his finest most painful and most enlightening Which surprisingly turns out to be a love story **The Joke** Milan Kundera,1992 This is the first novel by the author of Immortality which won The Independent Award for Foreign Fiction in 1991 Milan Kundera is also the author of The Book of Laughter and Forgetting **Immortality** Milan Kundera,2023-04-25 New York Times Bestseller Inspired Kundera s most brilliantly imagined novel A book that entrances beguiles and charms us from first page to last Cleveland Plain Dealer Milan Kundera s sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named Kundera Like Flaubert s Emma or Tolstoy s Anna Kundera s Agn s becomes an object of fascination of indefinable longing From that character springs a novel a gesture of the imagination that both embodies and articulates Milan Kundera s supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence **The Burden of Responsibility in Milan Kundera's The Unbearable Lightness of Being and in Jeanette Winterson's Weight** Hidasi Eszter,2014
