CAUTION

Never attempt to work on your Jari Mower without first removing the spark plug or wire from spark plug. Never wear loose clothing near the unit when the engine is operating. Before starting the engine, clear the area of adults, children and pets. A sudden gust of wind and/or an unexpected move on somebody's part can change what was a safe situation. Always exercise caution during the operation, handling, parking or storage of your mower. Shutting off and allowing engine to cool is necessary before refueling. Stop engine before attempting to clean any debris from knife assembly.

LUBRICATION (5 Zerks)

Use heavy-duty gun grease every 3 hours of operation. If one grease retainer, such as item #039 used in conjunction with part requiring grease, grease until grease appears at the retainer. If two grease retainers are used, such as with each wheel or dual pulley #69, grease until grease appears at both retainers. It is not necessary to remove fender for greasing. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
