

Also known as just *Jeet Kune Do*, it is a hybrid of different martial arts and philosophies founded by Lee. It promotes fluidity in combat and flexibility. As Lee had suggested, one should "be water". It also allows its followers to incorporate their own fighting styles into already existing techniques, making its notion of "style with no style".

However, as Cass Magda points out in his Foreword, JKD is definitely not a do-it-yourself martial art, and it does

have a unique structure Indeed it is essential for the JKD fighter to master this structure if he or she is to present a highly organized defence and mount an instantaneous and effective counter attack AUTHOR Dave Carnell is the owner and Director of Impact Martial Arts Academy in Stoke on Trent England which has several branches throughout the country Dave is a much sought after instructor who teaches in the United Kingdom elsewhere in Europe and in the United States Dave is a Senior Full Instructor for Cass Magda s MI Association and is Supervising Instructor for the United Kingdom
