you to read it yourself *The Watchtower's Coming Crisis* Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it **Opening the Door to Jehovah's Witnesses** Trevor Willis,2001 Knock, Knock Ruth Baker,2007-10 In her breakthrough book Knock Knock Shedding Light on Jehovah s Witnesses at the door born again author Ruth Baker uses her twenty years of experience as a Jehovah s Witness to unveil the mystery of this obscure cult This shocking testimony will not only equip Christians to properly protect themselves their families and friends from the unseen forces of darkness but will also challenged them to boldly defend the truth with confidence and love This book is an essential weapon in preparing for the next Knock Knock **Thirty Years a Watch Tower Slave** William J. Schnell,1956 It was in the year 1954 that Williams J Schnell wrestled with God in prayer for an entire agony filled night As morning broke he arose with peace in his soul and a song in his heart For the first time in thirty years Schnell was a free man For three decades he had been enslaved in one of the most totalitarian systems of the twentieth century That morning he stood up with

the firm determination that with God's help he would reveal to the world the inner workings of the Watch Tower Society. The result is this entrancing book *Thirty Years A Watch Tower Slave: The Confessions of a Converted Jehovah's Witness*. This is a much needed book. Like a giant octopus the Watch Tower Society has spread its tentacles to the corners of the world. In spite of its denial of most of the major Biblical truths including the trinity, the divinity of Christ, the physical resurrection of Christ, the physical return of Christ, it poses as a Christian movement. It yearly lures thousands into its fold with its ingeniously devised system of proselyting. It is the inner workings of this organization which the author lays bare and exposes to public view for the first time in history. Every previous effort has been successfully thwarted. The writer of this exposé too has been subjected to pressure. But his vow of gratitude to God for opening his eyes and for delivering him from this vicious network has given him courage and carried him through. Although Mr. Schnell pulls no punches, he displays no rancor or bitterness. This book is his life's story as a Jehovah's Witness. It is his confession of wrongdoing to God and his fellow man. In doing so, he reveals the Jehovah's Witnesses and The Watch Tower Bible and Tract Society for what they really are. This book is a powerful warning to any and all who may be approached by the misnamed Jehovah's Witnesses. It is likewise Mr. Schnell's appeal to his former brethren to throw off their shackles and to return to the liberty which is in Jesus Christ. Be sure to read this book. You owe it to yourself to be well posted on this aggressive movement. Sooner or later you will be confronted with its message of perversion.

I Don't Know Why We Persecute Jehovah's Witnesses Tom Harley, 2021-06-02 Searching for the Why at first glance what could be easier. Just read the charges. But when Putin says Jehovah's Witnesses are Christians too, I really don't understand why they are persecuted; there appears more to it than meets the eye. When Human Rights Watch says Russia's religious persecution focuses almost exclusively on Jehovah's Witnesses, the plot thickens further. Like Luke to Theophilus, here is a book that traces everything from the start with accuracy. Like Luke to Theophilus, here is a book that tells it from the believer's point of view, stripped of the red herrings that plagued Dear Mr. Putin, Jehovah's Witnesses Write Russia, updated to the February 2021 present and ever respectful towards the land of the bear. Here are presented the modern day Acts of Russia with regard to worship, the acts of believers and of those who oppose them. The acts of Russia have taken a dark and perplexing turn, puzzling even Putin. Can it be the wizard who runs Oz doesn't know how his contraption works. Here is a book that picks up where Baran's Dissent on the Margins 2014 leaves off. The tale has not yet ended. But then neither had the tale ended when Luke completed the first century Book of Acts. Early in 2017 every Jehovah's Witness in the world was invited to write letters to designated Russian officials urging that justice be done in their case. I wrote one. Here is the expanded version.
