Hellfire Nick Tosches, 2007 The dramatic and tormented life of Jerry Lee Lewis is the most fabled in rock n roll history *Hellfire* is a wild riveting and beautifully written biography that received universal acclaim on its original publication and is now an American classic Born in Louisiana to a family legacy of great courage and greater madness Jerry Lee was torn throughout his life between a harsh Pentecostal God and the Devil of alcohol drugs and rock n roll He began performing publicly at fourteen and at twenty one he recorded Whole Lotta Shakin Goin On which propelled him to stardom Almost immediately news of his marriage to his thirteen year old cousin all but destroyed his career Over the next twenty years Jerry Lee ever indomitable and ever wild would rise again as a country star and then lose it all again to his own inner demons *Hellfire* is a brilliant audacious journey into the soul of a rock n roll legend and into the soul of rock n roll itself

Let's spend the night together Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully

followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb [Mystery Train, 50th Anniversary Edition](#) Greil Marcus, 2025-09-16 A 50th anniversary edition of the music classic with fully updated discographies and new introductions from Greil Marcus and Dwight Garner In this special 50th anniversary edition of the beloved Plume backlist staple first released in 1975 Mystery Train s complex analysis of the relationship between rock n roll music and America is given new life with updated discographies and new introductions by Greil Marcus and Dwight Garner Rather than providing a general overview of influential bands and artists Marcus s definitive book focuses on just six virtually unknown early rock n roller Harmonica Frank the country blues singer Robert Johnson and some of the better known musicians who followed The Band Sly Stone Randy Newman and Elvis Presley This is the original book to take these rock legends and place them in the American culture of their time And now in 2025 Mystery Train continues its groundbreaking work for a new generation of readers and music lovers *Mystery Train* Greil Marcus, 2015-04-28 The perfect gift for music fans and anyone who loves artists like Elvis Presley Randy Newman Sly Stone Robert Johnson and Harmonica Frank In 1975 Greil Marcus s Mystery Train changed the way readers thought about rock n roll and continues to be sought out today by music fans and anyone interested in pop culture Looking at recordings by six key artists Robert Johnson Harmonica Frank Randy Newman the Band Sly Stone and Elvis Presley Marcus offers a complex and unprecedented analysis of the relationship between rock n roll and American culture In this latest edition Marcus provides an extensively updated and rewritten Note and Discographies section exploring the recordings evolution and continuing impact **Revolutions in American Music** Michael Broyles, 2024-02-20 The story of how unexpected connections between music technology and race across three tumultuous decades changed American culture How did a European social dance craze become part of an American presidential election Why did the recording industry become racially divided Where did rock n roll really come from And how do all these things continue to reverberate in today s world In *Revolutions in American Music* award winning author Michael Broyles shows the surprising ways in which three key decades the 1840s the 1920s and the 1950s shaped America s musical future Drawing connections between new styles of music like the minstrel show jazz and rock n roll and emerging technologies like the locomotive the first music recordings and the transistor radio Broyles argues that these decades fundamentally remade our cultural landscape in enduring ways At the same time these connections revealed racial fault lines running through the business of music in an echo of American society as a whole Through the music of each decade we come

to see anew the social cultural and political fabric of the time Broyles combines broad historical perspective with an eye for the telling detail and presents a variety of characters to serve as focal points including the original Jim Crow a colorful Hungarian dancing master named Gabriel de Korponay Empress of the Blues Bessie Smith and the singer Johnnie Ray whom Tony Bennett called the father of rock n roll Their stories and many others animate Broyles s masterly account of how American music became what it is today

Feast of Excess George Cotkin,2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment
