**Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles** Aurel-Onisim LEHACI, 2024 The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets

Hood, 2013-03-07 At a time when the call to imitate Jesus comes loaded with moralistic overtones Jason Hood offers a refreshing look at imitation on the Bible's terms Drawing our attention to the practice that Paul taught everywhere in every church Hood's study yields insights into Scripture the church fathers and Christian culture

[The Sabbath Recorder](#), 1923 *The Faith That Moves Mountains* Arisnel Mesidor, 2017-08-21 The Faith That Moves Mountains How to Have It How to Use It and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11 2025 If you feel like you have a huge and intimidating mountain standing in front of you if you feel like a huge wall prevents you from entering into your promised land if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God given destiny this book is written for you The purpose of the book is to reassure you that God has not forgotten you even if it feels like so at times That you have found yourself in precarious situations at one point or another in your life is not a result of God's indifference toward you This book reminds you that even

before God brought you into this world he made provisions in order for you to be able to deal with such circumstances You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it In this book I will teach you about the nature of the faith that moves mountains I will try to explain the nature of that faith how to have it how to use it and how to protect it I want you to realize that you don't always have to put up with things that prevent you from moving forward in your life and toward your God given destiny I encourage you to keep this in mind not knowing whether or not something negative is happening to you is part of how God is working in your life You need to pray and make your desire known to God As God's servant you never need to hide your frustration from him and shy away from letting the one who loves you know what you need My prayer is that after realizing how powerful faith in God is you may put yours into good use God did not put us in this world without carefully equipping us for every challenge we would face God has not created us either as simple tools he can use whenever or for whatever he wants Rather God has made us acting beings able to do things and in fact the things which he himself does God created us in his image and has made us his associates in looking after everything he created Discover the power of faith in God and triumph over the mountains of life *Unleashing the Hidden Potential of Your Student Leaders* Jen

Bradbury, 2017-04-18 *Unleashing the Hidden Potential of Your Student Leaders* lays out a theological and philosophical outline for effective student leadership in a youth ministry context Additionally it provides practical tips on how best to create and develop student leaders as well as how to help them transition into leadership positions in the broader church The book draws from Scripture in general and from Jesus ministry with his disciples in particular to explore the important work of developing students into leaders Jen also draws from her own experience as a youth worker to inspire and equip both rookie and veteran youth leaders Apprenticeship with Jesus Gary W. Moon, 2009-09-01 Ask a crowd of Christians whether they believe in Jesus as Lord and Savior and all hands will go up Ask the same crowd whether they live like Jesus and most of those same hands will come down Why is this Why is it so hard to bridge the gap between belief and real life Respected author professor and psychologist Gary W Moon thinks it has to do with our hyper intellectual but non experiential method of living the Christian life In this winsome book Moon provides a thirty day apprenticeship with Jesus whereby readers will actively practice being with Jesus day in and day out Each day's reading uses compelling stories and scripture to illustrate a point and closes with a suggested apprenticeship activity **New Cyclopaedia of Prose Illustrations** Elon Foster, 1870
