Jesus Humanity And The Trinity:

Jesus, Humanity and the Trinity Kathryn Tanner, Tanner offers not a repetition of doctrines but a creative synthesis of key Christian principles especially the transcendence and gift giving of God and contemporary experience What emerges is a profound yet precise vision of creation God's life and our participation in it While consonant with traditional teachings Tanner's dynamic speculative theology is universal in its range mystical in its outlines and deeply ethical in its relations with all God's gifted creatures Jesus Humanity and the Trinity not only takes stock of Christian belief in a time of tumultuous intellectual and cultural change It also finds in that ferment a life giving meaning and mission for Christian life *Christ the Key* Kathryn Tanner, 2009-12-10 Through the intensely intimate relationship that arises between God and humans in the incarnation of the Word in Christ God gives us the gift of God's own life This simple claim provides the basis for Kathryn Tanner's powerful study of the centrality of Jesus Christ for all Christian thought and life if the divine and the human are united in Christ then Jesus can be seen as key to the pattern that organizes the whole even while God's ways remain beyond our grasp Drawing on the history of Christian thought to develop an innovative Christ centered theology this book sheds fresh light on major theological issues such as the imago dei the relationship between nature and grace the Trinity's implications for human community and the Spirit's manner of working in human lives Originally delivered as Warfield Lectures at Princeton Theological Seminary it offers a creative and compelling contribution to contemporary theology

Trinity and Humanity Uche Anizor, 2018-02-27 Colin Gunton is regarded by many as one of the most important English theologians of the twentieth century A prolific writer and creative thinker Gunton taught at King's College London for over thirty years until his untimely death in 2003 In this first single authored introduction to Gunton's theology Uche Anizor traces the key theological themes major contributors and criticisms of his work Each chapter provides a synthesis and overview of Gunton's thought on a particular doctrine or set of doctrines calling attention to the Trinitarian shape of his theology In *Trinity and Humanity* Anizor provides a handy entrance into the corpus of this major thinker **The Incarnation as God's First Intention** Edwin Chr. van Driel, 2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr. van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God's engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God's original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church's mission in today's world suggesting that God's presence with us is not merely a remedy for human fallenness but rather God's first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God's relation to the world this book challenges readers to see the incarnation God's

dwelling among us as God's central purpose **Like Father Like Son** Tom Smail, 2020-08-27 What does it mean to be made in God's image if God is Father Son and Spirit Tom Smail offers an approach to theological anthropology based on the doctrine of the Trinity arguing that we are only human when we reflect the relationships between Father Son and Holy Spirit The book focuses on what it is to be like Father like Son and like Holy Spirit focusing in particular on the initiating love of the Father the responsive love of the Son and the creative love of the Holy Spirit Interacting with sociological theological and personal issues of concern on a day to day level Like Father Like Son is relevant to Christian living in both the church and the world The Trinity John M. Farrelly, 2005-01-04 The mystery of the Trinity is the central Christian belief that defines God's essence God's ongoing love for humanity and saving grace Yet over the past few centuries especially in the West Christians have either ceased believing in the Trinity or simply no longer recognize its relevance in their ecclesial or individual lives Written in an ecumenical spirit that engages contemporary questions and theological viewpoints The Trinity Rediscovering the Central Christian Mystery articulates the mystery of the Trinity for people formed by modern historical consciousness science awareness of the equal dignity of men and women and respect for world religions By first identifying contemporary problems with the Christian proclamation of the Trinity in our culture and major differences among modern theologians John Farrelly OSB explores Scripture the life and message of Jesus Christ the various stages of the development of Trinitarian doctrine in Christian History the relation of the Trinity to creation and salvation the generation of the Son from the Father within the Trinity and the procession of the Holy Spirit from Father and Son and the meaning of three persons in one God He concludes by reflecting on the implications this renewed theology of the Trinity has for ecclesiology and Christian spirituality in our twenty first century world especially in relation to other world religions *Liturgia Dei* Adam Couchman, 2025-10-10 What does it mean to worship More often than not we understand worship to be something that we perform for God If that's the case then worship is ultimately a human action that flows from human effort How would our understanding of worship change though if we took as our starting point that Jesus is a fully human and fully divine worshiper Does it then mean that God is worshiping In responding to these questions Liturgia Dei suggests that worship is not primarily something we do for God but something God is eternally performing Worship is the eternal glorification of God that extends from and returns to the eternal relations of Father Son and Mother Spirit The church joins in this worship to through and with Jesus Christ

The Trinity Thomas Joseph White, Thomas Joseph White, OP, 2022-03-11 The Trinity is the central mystery of the Christian faith What can we say about the divine nature and what does it mean to say that God is Father Son Holy Spirit three persons who are one in being In this book best selling author Thomas Joseph White OP examines the development of early Christian reflection on the Trinity arguing that essential contributions of Patristic theology are preserved and expanded in the thought of Thomas Aquinas By focusing on Aquinas theology of the divine nature as well as his treatment of divine personhood White explores in depth the mystery of Trinitarian monotheism The Trinity On the Nature and Mystery of the

One God also engages with influential proposals of modern theologians on major topics such as Trinitarian creation Incarnation and crucifixion and presents creative engagements with these topics Ultimately any theology of the cross is also a theology of the Trinity and this book seeks to illustrate how the human life death and resurrection of Jesus reveal the inner life of God as Trinity **Traces of the Trinity** Peter J. Leithart,2015-03-10 As the Triune God created the world so creation bears the signs of its Creator This evocative book by an influential Christian thinker explores the pattern of mutual indwelling that characterizes the creation at every level Traces of the Trinity appear in myriad ways in everyday life from our relations with the world and our relationships with others to sexuality time language music ethics and logic This small book with a big idea the Trinity as the Christian theory of everything changes the way we view and think about the world and places demands on the way we live together in community **Christ the Key** Kathryn Tanner,2010 An innovative Christ centered theology exploring the centrality of Christ for Christian thought and shedding fresh light on major theological issues

Christ and humanity; with a review of the doctrine of Christ's person Henry M. Goodwin,1875 *Divine Truth or Human Tradition?* Patrick Navas,2011-07-07 In *Divine Truth or Human Tradition* the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of *The Forgotten Trinity* Dr John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Morey author of *The Trinity Evidence and Issues* Robert L Reymond author of *A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith **The ^AJewish Annotated New Testament** Amy-Jill Levine,Marc Zvi Brettler,2017-08-04 First published in 2011 The Jewish Annotated New Testament was a groundbreaking work bringing the New Testament s Jewish background to the attention of students clergy and general readers In this new edition eighty Jewish scholars bring together unparalleled scholarship to shed new light on the text This thoroughly revised and greatly expanded second edition brings even more

 Strong,1907 **Systematic Theology** Augustus Hopkins Strong,1907 **The Trinity** Hans Schwarz,2017-09-15 In the last
 thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among
 systematic theologians The topic has been mined for many different interests from liberation theology to feminist
 interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no
 intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really
 scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through
 this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical
 base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape
 here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a
 centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to
 speculation What are we to make of this doctrine How do we articulate the biblical faith today *The Princeton Theological*
