Marine Corp Knife Fighting Manual:

THE KA-BAR KNIFE COMBAT MANUAL James Loriega, 2020-04-02 The United States Marine Corps does not have this manual or any manual on the combat use of the Ka Bar knife This however is not because they lack a structured knife combat method for training new recruits or because the method is in any way secret or classified They have a structured method and it s not secret or classified They just don t teach from a manual Why Simply because Marine Combat Instructors have their knife combat method internalized They can teach it in their sleep they can use the knife without even waking up and they want Marine recruits to know this method in the same manner Not to learn it to internalize it To own it Because they won t have a manual with them when they need this knowledge to save their lives Learn what they already know
