

THE MARKETING PLAN

IMPROVING YOUR COMPETITIVE EDGE

A Marketing Plan is a written strategy for selling the products/services of a new business. It is a reflection of how serious a company is in meeting the competition head on, with strategies and plans to increase market share and attract customers. An effective Marketing Plan is backed by carefully collected market, consumer and competitor information, sometimes citing professional advice.

Why Prepare a Marketing Plan?

A good Marketing Plan will help you to improve your odds against more experienced competitors and newly emerging ones. The Plan enables you to recognize and take action on any trends and consumer preferences that other companies have overlooked, and to develop and expand your own select group of loyal customers now and into the future.

The Plan also shows to others that you have carefully considered how to produce a product that is innovative, unique and marketable- improving your chances of stable sales and profits - reasons for investors to financially back you.
