

*Of Mice and Men*  
**Chapter 2 Study Guide - KEY**

1. According to the old man (Candy), why were the boys mad at George and Lennie?  
The boys had expected them to arrive the night before—as they were late.
2. What does George find in the box by his bed, and what does he suspect?  
Bug killer... George suspects that the boys have done it.
3. Describe what we learn from Candy about the "stable hand" (Candy).  
He is a black man who lives and works in the stable. He has a crooked back because he was kicked by a horse. He needs a lot.
4. What does the boss suggest George is doing to Lennie? What makes him think this?  
The boss thinks that George is taking Lennie's pay away from him, because he realizes that Lennie is "simple" and George always spends for him.
5. What reason does George give for taking care of Lennie?  
He says that they are cousins and Lennie's "old lady" (mother) asked him to take care of him.
6. Describe Curley. What do we learn about his left hand?  
He is young and thin, with curly hair. He wears high-banded boots (shows that he is not a working man). He wears a glove full of barbed wire on his left hand, to "keep it right for his wife."
7. Describe Curley's wife. Why does she come into the bunkhouse?  
She has only been married to Curley for two weeks. She flirts with the other men. He is young and pretty. She wears a lot of makeup, including painting her fingernails red, and curls her hair. She wears red high heels (decorated with red velvet feathers)—completely impractical for life on a ranch. She says that she has come to the bunkhouse looking for Curley, but we get the feeling that is just an excuse.
8. Describe Slim. What is his job on the ranch? What are some of his character traits?  
He is a "jerkline skinner," meaning that he is the main driver of a team of mules. He is tall and his manner commands respect. He is intelligent and has an instinctive understanding of people. The other men respect him greatly, and his word is the law.
9. What did Slim do to four of his pups and why?
