*Jane Eyre - Large Print Edition* Charlotte Brontë, 2013-11-28 Meet Jane Eyre through her autobiography as written by Charlotte Brontë A brilliant coming of age novel Jane Eyre also tackles issues of social class sexuality morals religion and feminism Jane is an orphan who must overcome her loveless childhood as she goes to work as a governess at Thornfield Hall She is a multi layered character who embodies the qualities of independence Christianity individuality and passion This Large Print Edition is presented in easy to read 16 point type **Jane Eyre** Charlotte Brontë, 2021 **Jane Eyre (Top Shelf Large Print Edition)** Charlotte Brontë, 2020-04-30 *Jane Eyre An Autobiography Charlotte Brontë - Large Print Edition* Charlotte Brontë, 2017-05-21 Jane Eyre is the most famous and the most popular of the great works by the three Brontë sisters It has everything Ghosts mysterious characters fantastic events witchcraft and extreme cruelty This is not to mention the insane wife locked up in the attic Jane Eyre describes itself as an autobiography but it is not really as Jane Eyre was a fictional person However Jane Eyre is semi autobiographical as many of the events of the life of Jane Eyre were the same or similar to events in the life of Charlotte Brontë The parents of Jane Eyre have both died shortly after Jane was born Jane went to live with an aunt and uncle but is treated badly by them worse than even the lowest servant would be treated One characteristic of all of the Brontë books is the women protagonists are all living in a huge but mysterious mansion They are living a life which many readers would aspire to have Jane Eyre is treated so badly that when her aunt proposes to send her to an orphanage for poor girls Jane readily accepts Jane makes friends with Helen a girl in the orphanage but when Helen dies Jane is distressed This is believed to be parallel with the real events when two of the sisters of Charlotte Brontë Maria and Elizabeth died of tuberculosis when they were living together in a boarding school Later it turns out that Jane should not have been impoverished or destitute at all She had an uncle John Eyre who had written a letter to her aunt asking that Jane be sent to live with him and offering to will his entire considerable estate to Jane Instead of telling Jane about this the aunt had written back to John Eyre saying that Jane had died while living at Lowood Hall Now on her death bed knowing she will be sent to Hell for this crime the aunt summons Jane Eyre and gives her the letter This book is in Large Print Edition The Fonts are 16 point type nearly double the size of typical book printing This is to make the book more comfortable and easier to read **Jane Eyre** Brontë, 2018-11-18 CHAPTER I There was no possibility of taking a walk that day We had been wandering indeed in the leafless shrubbery an hour in the morning but since dinner Mrs Reed when there was no company dined early the cold winter wind had brought with it clouds so sombre and a rain so penetrating that further outdoor exercise was now out of the question I was glad of it I never liked long walks especially on chilly afternoons dreadful to me was the coming home in the raw twilight with nipped fingers and toes and a heart saddened by the chidings of Bessie the nurse and humbled by the consciousness of my physical inferiority to Eliza John and Georgiana Reed The said Eliza John and Georgiana were now clustered round their mother in the drawing room she lay reclined on a sofa by the fireside and with her

darlings about her for the time neither quarrelling nor crying looked perfectly happy Me she had dispensed from joining the group saying She regretted to be under the necessity of keeping me at a distance but that until she heard from Bessie and could discover by her own observation that I was endeavouring in good earnest to acquire a more sociable and childlike disposition a more attractive and sprightly manner something lighter franker more natural as it were she really must exclude me from privileges intended only for contented happy little children What does Bessie say I have done I asked Jane I don't like cavillers or questioners besides there is something truly forbidding in a child taking up her elders in that manner Beseated somewhere and until you can speak pleasantly remain silent A breakfast room adjoined the drawing room I slipped in there It contained a bookcase I soon possessed myself of a volume taking care that it should be one stored with pictures I mounted into the window seat gathering up my feet I sat cross legged like a Turk and having drawn the red moreen curtain nearly close I was shrined in double retirement Folds of scarlet drapery shut in my view to the right hand to the left were the clear panes of glass protecting but not separating me from the drear November day At intervals while turning over the leaves of my book I studied the aspect of that winter afternoon Afar it offered a pale blank of mist and cloud near a scene of wet lawn and storm beat shrub with ceaseless rain sweeping away wildly before a long and lamentable blast I returned to my book Bewick's History of British Birds the letter press thereof I cared little for generally speaking and yet there were certain introductory pages that child as I was I could not pass quite as a blank They were those which treat of the haunts of sea fowl of the solitary rocks and promontories by them only inhabited of the coast of Norway studded with isles from its southern extremity the Lideness or Naze to the North Cape
