Everyday Theology (Cultural Exegesis) Kevin J. Vanhoozer, Charles A. Anderson, Michael J. Sleasman, 2007-03-01

Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ. In other words, theology is not just for Sundays and it's not just for professional theologians. Everyday Theology teaches all Christians how to get the theological lay of the land. It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it. If theology is the ministry of the Word to the world, everyday theologians need to know something about that world and Everyday Theology shows them how to understand their culture, make an impact on it. Engaging and full of fresh young voices, this book is the first in the new Cultural Exegesis series.
