Jackson, 2014-12-18 Would you really like to follow Jesus Would you like to follow Jesus to the Jordan River where He was baptized in the Holy Ghost Would you like to follow Jesus into the wilderness and learn His prayer secrets Would you like to follow Jesus to Lazarus tomb and learn what it means to groan in the Spirit Would you like to follow Jesus to the cross and hear Him speak an utterance in unknown tongues Learn how the baptism in the Holy Spirit and how speaking in tongues transformed Jesus from a carpenter into a miracle worker Learn how God makes this power available to Christians today Walk with Jesus into the baptism in the Holy Ghost Follow His travels as he spoke in tongues in public Journey with Him today as He calls every believer to follow Him into the baptism of the Holy Spirit **Why You Should Speak in Tongues** Norvel Hayes, 2002-04-01 What if you could pray perfect prayers prayers that would unleash the full power of God in your life and the lives of others God has given you the power of His Holy Spirit alive and active in your life His Spirit provides the means for you to pray the prayers to unlock all the power of heaven In this short book Norvel Hayes explains the Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues* The book was an immediate success as thousands were touched by the power of this spiritual gift *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift The Speaking in Tongues Controversy Rick Walston, 2005-09-27 What others are saying As an AG minister I was especially interested in Dr Walston s discussion of this topic I found his arguments lucid biblical exegetical and convincing Rev Kevin Potts Ph D Candidate Chaplain Dr Walston has thrown a big wrench into my tongues as evidence doctrinal gears I am now working through what I thought was a foundational doctrine that I also thought was settled long ago This book should be required reading for people on both sides of this issue Dr Denny Nissley AG minister Director of Christ in Action Ministries Many books and articles have been written in defense of speaking in tongues

as the unmistakable physical evidence of the Baptism in the Holy Spirit Through his careful and thorough analysis of the Pentecostal texts in the Book of Acts Dr Walston is challenging this view This book is beyond doubt one of the most thought provoking analyses on this theme I have ever read Nils Olov Nilsson Th D Swedish Missionary and Theologian with the Swedish Pentecostal Movement *Speaking in Tongues* Herbert G. Bell, Jr., Reverend Herbert G. Bell Jr, 2009-07 *Speaking in Tongues* follows the quest of Reverend Herbert Bell Jr to find out the Biblical truth about speaking in tongues Throughout his book he uses various biblical and pastoral sources to determine the origins of the practice of speaking in tongues His biblical resource is the New King James Version of the bible from which he has also drawn all of the scriptures used in the book He examines the writings of John Wesley Dr Curtis Hutson and James M Frye to weigh their response to the practice of speaking in tongues In John Wesley he finds a voice who just wants his congregation to be able to understand his message Like Wesley he has endeavored in this book to present the material in a manner so that all who read it may understand and profit from its content As he delves more deeply into the writings of Hutson and Frye he finds two theologians who also share his view of speaking in tongues With that as a basis Reverend Bell decided to search the Scripture for himself so that he would learn what God required of him as he worshipped Him in Spirit and in Truth **Tongues: From Confusion to Understanding** James A. McMennis, 2009-12 **TONGUES FROM CONFUSION TO UNDERSTANDING** Understanding the Ministry of the Holy Spirit and Prayer This book was written for those who genuinely want to gain a full understanding of the often misunderstood topic of tongues What happened at Pentecost What did Jesus mean by they shall speak with new tongues Does the Bible support a prayer language or an unknown tongue What is the baptism of the Holy Spirit Can you be saved without the Holy Spirit How did Jesus teach us to pray These questions among many others are answered as Pastor McMennis expounds on each of these topics in a verse by verse study in the Word of God Over 200 Scripture references JAMES A MCMENIS is pastor of Word of God Ministries in Shreveport Louisiana and is known nationally as host of Ministering the Word television broadcast For more information contact Word of God Ministries P O Box 17794 Shreveport LA 71138 wogm org *Nine Lies People Believe about Speaking in Tongues* Steve Bremner, 2016-02-16 Discover the Biblical Truth about the controversial gift of speaking in tongues Have you ever been told that speaking in tongues is not for today Maybe you ve heard people speak in tongues and it seemed weird You thought to yourself This is too strange to be God Or maybe you believe that people can **Speaking in Tongues** Fisher Humphreys, Malcolm Tolbert, 1973 [What the Bible Says about Speaking in Tongues](#) John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it

with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

**Audacity of Speaking in Tongues** Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

**Tongues** Richard Hogue,2010-04-06 Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Paul s teaching Through the centuries there has been a wide variety of answers regarding the validity and veracity of speaking praying and singing in tongues and its place within the life of the Christian and the Church What is it Is speaking in tongues such a radically supernatural experience that language is totally unknown or is it as some have contended actual human languages that are simply unknown to the speakers Several have believed it to be the language of heaven or at least from heaven Others have declared it to be ecstatic unintelligible utterances that require a highly charged emotional moment

to experience Should each Christian pray and sing in tongues or is it reserved for a special few deeply spiritual ones Did Jesus pray in tongues These questions and more are answered by author and pastor Richard Hogue in *Tongues A Theological History of Christian Glossolalia* His academic approach begins by firmly establishing biblical evidence before launching a chronological connect the dots exercise through Christian history The design revealed is the undeniable influence of the Holy Spirit From Saul of Tarsus to John Wesley from Pentecost to Azusa Street Richard Hogue follows the gift of tongues and clearly draws a picture of today s role of the Holy Spirit in *Tongues A Theological History of Christian Glossolalia* [The Unseen Dynamics of Speaking in Tongues](#) Steven Adi,2020-07-30 Often times we play around with certain words as we use them in our regular expressions However certain times come when these words get forged together to give rise to a certain statement that comes alive with a feeling of shock and awe creating a strong definition to something straight from the spiritual which comes with a strong definition of perfection that conveys reality Never thought of it this way before becomes our statement of conviction on the great revelation that just emerged from the Almighty God Such was the feeling that greeted me when the inspiration for the writing of this book was carved upon the tablets of my heart by the Holy Spirit The things I already knew as concerning the subject of this book I never knew could be put together in such a fashion to tell the tale that could clearly connect the source of life Himself as watching Him play a consistent role in the narrative of the the drama of prayer praying speaking in tongues There are certain questions you have thus always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God provide for us the option of praying speaking in tongues Do you know the things that happen in the spirit when we speak pray in tongues What realities distinguish praying in tongues from praying in our understanding How much do we achieve within a short when when we pray in tongues Have you ever wondered which is the most effective mode of prayer Is it possible for Satan to block the answers to our prayers from reaching us Why was the answer to Daniel s prayers delayed by the Prince of Persia How can our prayers address the things that we don t envisage *The Unseen Dynamics of Speaking in Tongues* unravels the mysteries that surround the above questions and much more as you read through The book does not focus much on the definitive aspect of speaking in tongues nor does it teach how to speak in tongues These details will be addressed in the second volume of this book Vol 2 that offers deeper insight into such mysteries It does however focuses more on the spiritual activities that are pioneered in the spirit realm when you speak pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise material you would read that gives deep details into the invisible happenings and manifestations around Christians when they speak pray in tongues May the Almighty God through His son Jesus Christ by the instrumentality of the Spirit of wisdom furnish you with understanding as you read through *Speaking in Tongues* Larry Christenson,1968 Written for lay Christians this is a level headed and clear presentation of what God had in mind when He made appointed the gift of tongues for the church It discusses speaking in

tongues as a sign as a gift and as a ministry Provided by publisher
