French, 2003-03-12 Warrior cultures throughout history have developed unique codes that restrict their behavior and set them apart from the rest of society But what possible reason could a warrior have for accepting such restraints Why should those whose profession can force them into hellish kill or be killed conditions care about such lofty concepts as honor courage nobility duty and sacrifice And why should it matter so much to the warriors themselves that they be something more than mere murderers The Code of the Warrior tackles these timely issues and takes the reader on a tour of warrior cultures and their values from the ancient Greeks and Romans to the barbaric Vikings and Celts from legendary chivalric knights to Native American tribesmen from Chinese warrior monks pursuing enlightenment to Japanese samurai practicing death Drawing these rich traditions up to the present the author quests for a code for the warriors of today as they do battle in asymmetric conflicts against unconventional forces and the scourge of global terrorism **Dragon** Michael Jahn, Mike Jahn, 1993 Tie in to the electrifying new film from Universal Pictures about the all time master of martial arts Bruce Lee He fought his way up from the streets of Hong Kong to become a legend streetfighter trainer movie idol and superstar He lived a life as fast and furious as the films that made him an international sensation Based on the screenplay by Edward Khmara John Raffo and Rob Cohen Computer Gaming World ,1997 **TV Guide** ,1991
