Jewish History Jewish Religion:

Jewish History, Jewish Religion Israel Shahak, 1994-04-28 Shahak subjects the whole history of Orthodoxy to a hilarious and scrupulous critique Christopher Hitchens The Nation **Jewish History, Jewish Religion, the Weight of 3000 Years** Israel Shahak, 2024-11-19 The first difficulty is that over the last one hundred and fifty years the term Jew has come to be used in two very different ways To understand this let s imagine ourselves back in 1780 At that time the meaning of this term for everyone coincided with what the Jews themselves considered to be the constitutive basis of their own identity This identity was essentially religious moreover the precepts of religion governed down to the smallest daily detail all aspects of the social and private life of Jews amongst themselves and in their relations with non Jews It was unthinkable for a Jew to drink even a glass of water in a non Jew s home This situation was changed by a twofold process which began in Holland and England continued in France during the Revolution and in the countries that followed its example and eventually spread to the modern monarchical states of the nineteenth century in all these countries Jews acquired numerous and important individual rights and in some cases complete legal equality and the judicial power that the Jewish community exercised over its members was abolished It should be noted that these two developments were simultaneous and that the second although little known is even more important than the first **Jewish History, Jewish Religion** Israel Shahak, 1994-04-28 Shahak subjects the whole history of Orthodoxy to a hilarious and scrupulous critique Christopher Hitchens The Nation The Jews John Efron, Steven Weitzman, Matthias Lehmann, 2018-09-03 The Jews A History is a comprehensive and accessible text that explores the religious cultural social and economic diversity of the Jewish people and their faith Placing Jewish history within its wider cultural context the book covers a broad time span stretching from ancient Israel to the modern day It examines Jewish history across a range of settings including the ancient Near East the age of Greek and Roman rule the medieval realms of Christianity and Islam modern Europe including the World Wars and the Holocaust and contemporary America and Israel covering a variety of topics such as legal emancipation acculturation and religious innovation The third edition is fully updated to include more case studies and to encompass recent events in Jewish history as well as religion social life economics culture and gender Supported by case studies online references further reading maps and illustrations The Jews A History provides students with a comprehensive and wide ranging grounding in Jewish history Judaism For Dummies Rabbi Ted Falcon, David Blatner, 2011-03-16 Judaism isn t a race or even a particular culture or ethnic group There are about 13 or 14 million Jews spread around the world including about 6 million in the United States and about 5 million in Israel so Judaism clearly isn t a nation So what does it mean to be Jewish Here are the basics Being Jewish being a Jew means you re a Member of the Tribe an M O T The tribe started with a couple named Abraham and Sarah about 4 000 years ago it grew over time and it s still here today You can become part of the Jewish tribe in two ways By being born to a Jewish mother or joining through a series of rituals called converting Judaism is a set of beliefs practices and ethics based on the Torah You can

practice Judaism and not be Jewish and you can be a Jew and not practice Judaism Whether you re interested in the religion or the spirituality the culture or the ethnic traditions Judaism For Dummies explores the full spectrum of Judaism dipping into the mystical meditative and spiritual depth of the faith and the practice In this warm and welcoming book you ll find coverage of Orthodox Jews and breakaway denominations Judaism as a daily practice The food and fabric of Judaism Jewish wedding ceremonies Celebrations and holy days 4 000 years of pain sadness triumph and joy Great Jewish thinkers and historical celebrities Jews have long spread out to the corners of the world so there are significant Jewish communities on many continents Judaism For Dummies offers a glimpse into the rituals ideas and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far reaching as across the world Jewish History Simon Markovich Dubnow, 2017-06-24
