Imagination Illustrated adapts the diary that Jim faithfully kept throughout his career supplementing it with a trove of little seen visual material including rare sketches personal and production photographs storyboards doodles and much more Throughout archivist Karen Falk delves into the behind the scenes details of Henson s life and his artistic process P 4 of cover *Beginning Biography Series* Continental Press Staff,2014-01-22 Muppets are loved by kids everywhere In the book Jim Henson readers will join the inventor s journey from Kermit s first television appearance to the Muppets explosion Sesame Street and movie making This book contains text features such as a table of contents headings captions labels and a glossary RR 13 GR H Meet Jim Henson Louise Gikow,1993 Discusses the life and accomplishments of the creator of the Muppets puppet stars of television and the movies **Jim Henson: Master Muppets Puppeteer & Filmmaker** Grace Hansen,2019-12-15 This book takes a look at the life of Jim Henson maker and creator of lovable Muppet characters like Kermit the Frog Bert and Ernie Big Bird and Miss Piggy The title is complete with historical black and white and color photographs simple text and a timeline Aligned to Common Core Standards and correlated to state standards Abdo Kids Jumbo is an imprint of Abdo Kids a division of ABDO **Jim Henson** Joan Stoltman,2018-07-15 Young readers finally have an opportunity to hear the story of the man behind Kermit the Frog Yoda Big Bird and many other timeless world famous puppet sensations The life of Jim Henson is the story of a singular remarkable artist with a vision drive and passion to educate Through captivating photography quotes from the man himself and focused age appropriate language readers have the chance to learn this modern television success story and be motivated and inspired to explore their own artistic voice and vision *Jim Henson* Nathan Aaseng,1988 Recounts how Jim Henson brought to life the Muppets and how he made other advances in the world of puppetry **Story of Jim Henson: Creator of the Muppets** Stephanie St. Pierre,1991 A biography of the puppeteer who created over 2000 Muppets including Kermit the Frog old Waldorf and Link Hogthrob *American Legends* Charles River Editors,2014-06-21 Includes pictures Includes Henson s own quotes about his life and career Includes a bibliography for further reading When I was young my ambition was to be one of the people who made a difference in this world My hope is to leave the world a little better for having been there Jim Henson A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known When people discuss the great television characters of all time names such as Lucille Ball Andy Griffith and Jerry Seinfeld are frequently mentioned but so are fictional characters like Kermit the Frog What makes Kermit an interesting choice is the fact that he s a Muppet and just one of Jim Henson s many iconic Muppets at that Millions of people are instantly familiar with Muppets like Kermit Oscar the Grouch Yorick and Miss Piggy and while the Muppets may lack the physical dimensions of the human television characters listed above there is no denying the influence they have exerted on America s youth and popular culture

more broadly Their popularity remains undiminished even several decades following their inception If the Muppets are among the most famous of all television characters their significance also stems from the way in which their purpose was always about more than simply entertainment Put simply the Muppets have played an instrumental role in the education of America s youth and there existed an educational imperative behind much of what Jim Henson created For many children learning to count learning to read and on a broader level learning to make sense of the world have all involved the Muppets either on Sesame Street 1969 or the many other movies and shows that have featured Jim Henson s characters Of course Henson s genius was also on display in the way he was able to captivate not just young children but also adults as well As his career evolved Henson began exploring more adults themes and it is not for nothing that children and adults alike mourned his premature death in 1990 Henson s early passing leaves many questions unanswered regarding the direction that his future work would have taken but even so he left behind a broad and diverse body of work even if existing loosely within the domain of puppetry He began his career at an early age and for someone who died so young his career was quite robust and balanced innovation with the repetition of salient themes Indeed Henson s works emphasized morality and the value of dreams desires education and cooperation American Legends The Life of Jim Henson looks at the life and work of Jim Henson from his childhood in Mississippi and Maryland to his young death in 1990 at the age of 53 Along with pictures of important people places and events you will learn about Jim Henson like never before in no time at all **The Wider Worlds of Jim Henson** Jennifer C. Garlen, Anissa M. Graham, 2012-11-30 Jim Henson was the creative force behind a huge catalog of television series films specials and other productions even excepting the Muppets This collection of essays delves into the rest of Henson s body of work including projects developed during his lifetime and those that represent his legacy Covered here are Fraggle Rock The Dark Crystal Labyrinth The Jim Henson Hour Dinosaurs Farscape and more Henson s influence on both audiences and later productions remains palpable on screens large and small as this collection attests
