Tools Jim Dine, 2018-11 When I was born I came home to my grandfather's house His name was Morris Cohen He was my mother's father I lived with him for three years until my parents built a small little house and we moved away But from the time I was born until he died when I was nineteen I either spoke to him or saw him every day He owned a hardware store that catered to plumbers electricians woodworkers contractors It was an early version of a contractors' supply store It was called The Save Supply Company He was a very large man and he felt he could do anything with his hands He made tables he fixed automobiles he was an electrician and he was lousy at all of it But through sheer force of will he forged ahead Jim Dine
