Marketing McQ's: 580 Frequently Asked Questions Are Answered from a Question Bank of 1600 Questions Maxwell  
Ranasinghe,2018-10 This book offers you a short cut for the marketing exams It contains frequently asked 580 questions out  
of a question bank of over 1600 questions I have reviewed whole syllabuses of many marketing courses in Diploma to  
Undergraduate level and have included questions on fundamental concepts and terms that are tested in a marketing exam I  
have purposely avoided questions that are easy and not tested frequently to bring down the load on students to study on  
marketing MCQs Hence this book will take away a big burden on students in reading the whole syllabus sifting selecting  
important questions from big question banks and memorizing all of them In addition to helping students in answering MCQs  
this book provides a revision of the whole syllabus offered in a marketing course Therefore the knowledge gathered by  
answering MCQs in this book will surely help the student to write short and essay type answers as well with confidence  
Multiple Choice Questions MCQs are used as an objective assessment in almost all the mid term and final exams of  
marketing in universities and professional institutions all over the world The MCQs in marketing are set from the whole  
syllabus MCQs generally test the knowledge of fundamental concepts terms and the ability of students in application of such  
knowledge in interpreting practical situations MCQs are tricky and cleverly designed to distract students to mark incorrect  
answers The time given to answer MCQs are limited and students should have a thorough knowledge of the subject to select  
the correct answer within the restricted time The best way to prepare yourself for MCQs is to know them in advance The  
challenge for students is they are required to study many subjects in addition to marketing in one semester Therefore not  
every student has the time to go through the whole syllabus and remember all the concepts This book is written with the sole  
aim of helping students to get exams through and you will not regret the investment you make on this book      **Marketing**
