

Michael Jordan research paper

Michael Jordan's competitive nature and strong leadership qualities like courage and loyalty enabled him to make everyone on the court a better player and a better person, and also helped him win 6 NBA championships. Michael Jeffrey Jordan was born in Brooklyn New York on February 17th 1963. Michael is the fourth of five children born from James and Dolores Jordan, James a mechanic and Dolores a bank teller (Morrissey 1). Soon after Michael was born Dolores realized that the streets of Brooklyn was not the safest place to raise five children.

So the Jordan family moved to Wilmington, North Carolina where Michael would play his high school basketball career.

Little do any people know is that Michael Jordan's first love was baseball a sport which Michael took up in his early years in Wilmington while still in elementary school, not basketball. However Michael was truly a gifted natural born basketball player according to his father James, "one day, god was sitting around and decided to make the perfect basketball player.

He gave him a little hardship early to make him appreciate what he would earn in the end and called him Michael Jordan" There were times when Michael had to face adversity. As a sophomore in high school, Jordan got cut from his varsity basketball team.

After he got cut Jordan explains that it was the worst feeling he ever had in his life and he worked so hard in the offseason to become a starter on varsity the next year so he would never feel that bad ever again (Road and Veridical 58).

After Michael graduated Lance high school he continued his basketball career onto the next level at the university of North Carolina (Michael Jordan bio). At UNC as a freshman, he hit the game-winning shot in the national championship to beat Patrick Ewing and the Georgetown Hoyas (Michael Jordan bio). Also, he was awarded player of the honors twice during his sophomore and junior season.

Michael Jordan being cut from his varsity team and rising up against adversity is what many people believe made him the leader he is today.

Michael Jordan was an amazing college player but he was an even better NBA player. Coming off two back to back Player of the year awards in college Michael was expected to be taken first in the 1984 NBA draft (Michael Jordan Bio). Well the Houston Rockets didn't think so because they passed on Michael and selected Hakeem Lawson with the first overall pick. Then at pick number two which shocked everyone, instead of taking Jordan the Portland Trail Blazers picked Sam Bowie from Kentucky. Jordan who was projected to be picked first fell to pick number three to the faced adversity.

Again when faced with adversity like the great leader he is, Michael was determined to prove everyone wrong and show that he should have been the first pick. In his rookie season in 1984 Jordan averaged
