

The McGraw-Hill Companies

Revised Second Edition

The book cover features a collage of microprocessor-related images. At the top, there's a close-up of a circuit board with several integrated circuits. One prominent chip is a Pentium processor, showing its gold-colored base and the 'intel-pentium' logo. Below this, the title 'Microprocessors and Interfacing' is printed in a large, bold, dark red serif font. Underneath the title, the author's name 'DOUGLAS V HALL' is written in a smaller, bold, black sans-serif font. The bottom half of the cover is dominated by a large, detailed image of a microprocessor chip, showing its intricate circuitry and pins.
