Kubota

KUBOTA Corporation is • •

Since its inception in 1890, KUBOTA Corporation has grown to rank as one of the major firms in Japan.

To achieve this status, the company has through the years diversified the range of its products and services to a remarkable extent. Nowadays plants and 54,000 employees produce over 1,000 different items, large and small.

All these products and all the services which accompany them, however, are unified by one central commitment. KUBOTA makes products which, taken on a national scale, are truly necessary. Products which are indispensable. Products which are essential to help individuals and nations build the potential inherent in their environment. KUBOTA is the Basic Necessary Item.

This potential includes water supply, food from the soil and from the sea, industrial development, education and construction, and transportation.

Problems of growth depend on KUBOTA's innovation, technology, experience and customer service. This too can depend on KUBOTA.
