While lecturing on advanced quantitative subjects to MBAs at Columbia Business School in New York City, Prof. Dr. Joern Meissner was asked by his students to assist their friends who were frustrated with conventional GMAT preparation options. He started to create original lectures that focused on presenting the GMAT content in a coherent and concise manner rather than a download of voluminous basic knowledge interspersed with so-called tricks. The new approach immediately proved highly popular with GMAT students, inspiring the birth of Manhattan Review. Over the past 15 years, Manhattan Review has grown into a multi-national firm focusing on GMAT, GRE, LSAT, SAT, and TOEFL test prep and tutoring along with business school, graduate school, and college admissions consulting, application advisory, and essay editing services. The highly acclaimed Manhattan Review Turbocharge Your GMAT preparation materials include about 600 pages of well-illustrated and professionally presented strategies and originally written problems for both the Verbal Section and Quantitative Section, 200 pages of detailed solutions, and more than 300 pages of internally developed Quantitative Glossary and Verbal Vocabulary List with detailed definitions, related words, and sentence examples.
