*Manic* Terrelle Lewis,2014-12-20 *Manic* is a story of self discovery challenges and triumph As Terrelle T Lewis shares his journey of being diagnosed bipolar and battling manic depression he finds his comfort and peace in his faith and a desire to touch the world through his testimony Written and illustrated by Terrelle himself this book reveals the struggles of being institutionalized in psychiatric facilities discovering support in relationships and ultimately declaring victory by surrendering his life to the will and calling of God *manicpixiedreamgirl* Tom Leveen,2020-11-11 She s not what he thinks He s not what she needs In stunningly raw relatable prose that upends the idea of the manic pixie dream girl trope Tom Leveen does more than just talk he tells the story of a less than perfect dream girl and the equally flawed boy who worships her Tyler has been crushing on Becky since he started high school but didn t get the guts to talk to her until long after he already found himself dating Sydney a quintessential good girl whose patience for Tyler s unrequited love is thinning After publishing a story about Becky in a prestigious magazine Tyler decides tonight halfway through their senior year he s going to come clean to Becky with whom he has become good friends But Open For Business Becca has some not so secret secrets Tyler s been denying and there s no way Tyler s dream girl can ever be what he needs her to be Instead he just might discover how far he s willing to go to break his own heart **Crossing Over & Coming Home** ,2001 First ever study of gay lesbian near death experiences
