## **Manorama Year :**

*Manorama Year Book*, 2004      **Police Reforms In India: An Analytical Study** K.. Alexander, 2006 The police are much more than a segment in the civil administration system The manner in which they respond to violations of law and order place restraints on personal freedom prevent the occurrence of crime and detect crime all generate debates and controversies Timely reform is evitable to ensure their ability to cope with emerging challenges to the management of crime and order Various aspects of policing like its evolution structure functioning etc have been analyzed in this book with the help of primary data collected both from the public as well as the police by applying the method of purposive sampling
