Metro Police Intake 2015 Nd 2016:

The Special Constabulary Karen Bullock, Andrew Millie, 2017-07-06 Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book draws together academics and practitioners to provide a valuable insight into historical international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and beyond

Black resistance to British policing Adam Elliott-Cooper, 2021-05-01 As police racism unsettles Britain's tolerant self image Black resistance to British policing details the activism that made movements like Black Lives Matter possible Elliott Cooper analyses racism beyond prejudice and the interpersonal arguing that black resistance confronts a global system of racial classification exploitation and violence Imperial cultures and policies as well as colonial war and policing highlight connections between these histories and contemporary racisms But this is a book about resistance considering black liberation movements in the 20th century while utilising a decade of activist research covering spontaneous rebellion campaigns and protest in the 21st century Drawing connections between histories of resistance and different kinds of black struggle against policing is vital it is argued if we are to challenge the cutting edge of police and prison power which harnesses new and dangerous forms of surveillance violence and criminalisation

Critical Perspectives on Police Leadership Davis, Claire, Silvestri, Marisa, 2020-03-11 In a critical analysis of conventional understanding leading authors Claire Davis and Marisa Silvestri present bold new conceptualisations of police leadership Drawing on empirical research in criminology sociology and leadership studies they present a thoughtful critique of the nature and practice of leadership in contemporary policing The book Critically explores the identities of leaders and their positions within wider organisational structures and processes Provides a critique of contemporary reform to police professionalisation training and education equalities and diversity by situating these developments within wider historical social and political contexts Draws on critical theory to offer an alternative challenging and novel interpretation of police leaders as not simply the result of individual experiences and attitudes but of the social institutional and historical processes of policing and the cultures that exist within it Points towards future directions and a reimagining of leadership in the police Accessible and stimulating this is an

essential text for policing students and valuable reading for current leaders and those interested in policing criminology and leadership
