Troubleshooter Toyota & Lexus Vehicles Mandy Concepcion, 2022-02-17 Toyota Lexus Transmission Troubleshooter and
Reference A reference and pictorial guide for automotive transmissions Including all major Toyota and Lexus Model
Transmissions By MANDY CONCEPCION This book is based on the Automotive Transmission Troubleshooter software by the
same author All similarities to this software package are intended Both of these products are copyrighted by the author
Mandy Concepcion The beginnings of this book came about after the development of the Transmission Troubleshooter
software package which eventually became part of the TransDoctor PC based diagnostic equipment Both of these related
products although meant for the professional side of the industry left behind a huge arsenal of data that matched perfectly
with the needs of the average consumer DIY and mechanic aficionado We assumed that his information so far as the general
public was concerned did not necessitate to be part of a broad software package and therefore could be offered at a lower
cost to the people This book covers automotive Transmission diagnostics and electronic repair for domestic vehicles The
information was amassed during years of field work and research in the automotive industry For this reason the information
is presented in a direct hands on approach and skips the basic operation of automotive transmissions If you're trying to
discern the basics of automotive automatic transmissions then there are other works that could help you do that This book is
meant to be used during real life repair situations and it exposes you to exactly what you need to know to solve or get an in
depth knowledge of a specific problem Various concepts are covered such as Transmission DTCs or trouble codes
Transmission ID shift solenoid locations component locations electrical and wiring diagrams and finally measurement values
for voltage and resistance We hope you enjoy reading this work to gain knowledge and solve specific problem So without
