Embracing Hope Viktor E. Frankl, 2024-08-20 A highly anticipated rediscovered collection from Viktor Frankl published for the first time in the United States exploring freedom responsibility and how we can draw meaning from the temporary nature of our lives From the bestselling author of Man's Search for Meaning which has sold over 18 million copies The Library of Congress lists Man's Search for Meaning as one of the ten most influential books in history Scientists and artists politicians and celebrities regularly cite Frankl as one of the most important authors every person should read Now there is another book for his devoted fans to add to their collections Published here for the first time in the United States Embracing Hope continues Frankl's enduring life's work and provides even more lessons for those searching for meaning and purpose It's made up of four distinct pieces from Frankl on different themes all uniting around the idea that we should remain open to life even when we have been subjected to appalling injustice and even when we are faced with our own mortality and the brief nature of our lives At a time of global suffering where so many are searching for hope and meaning Frankl's work seems more relevant and more important than ever Whether you're a devoted follower of Frankl's work or a newcomer seeking to enrich your

understanding of life's purpose this book promises a captivating journey that will leave you pondering its teachings long after you've turned the final page. Just imagine what would happen what life would look like if there were no death. Imagine what it would be like if you could postpone anything and everything if you could put it off for eternity. You wouldn't have to do anything today or tomorrow. Everything could just as easily be done next week, next month, next year, in a decade, in 100 or 1 000 years. Only in the face of death, only under pressure from the finiteness, the temporal limitation of human existence, is there any point in going about our business, and not only in going about our business but in experiencing life, and not only in experiencing life but also in loving someone and even in enduring and surviving something that is inflicted on us.
