In so doing, they were solely responsible for creating the first long-haul overland route across Europe and deep into the Middle East to Kabul. The men had started the Middle East Run, which was to become a phenomenon in the road haulage industry, an image which it still holds today. This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today. In this book, Ashley Coghill documents the complete history of the company to date, with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure. These early long-haul drivers would think nothing of a 10,000-mile round trip to Iran or the Arabian Gulf and being stranded at 6,000 feet on a mountain pass with temperatures below 40 was just all in a day's work. Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication. He has also tracked down past and present employees to gather first-hand information, which he has illustrated with over 300 carefully selected images. The end result is a detailed, comprehensive and fascinating account of an extraordinary company      [Footsteps in the Furrow](#) Andrew Arbuckle, 2020-04-01 Having lived and worked in and around agriculture in Fife all his life, Andrew Arbuckle has a deep affection for his farming heritage. Keen to record this for both those who remember the old ways of farming as well as future generations, Andrew has gathered information from a variety of sources to present a commentary on Scottish farming life from 1900 to the present day. Andrew's avenues of research included local newspaper archives, press cuttings and minutes from union meetings or local shows. Social history also plays a vital part in the project, and interviews with people who have worked in farming in days gone by give the book a vitality and humanity often missing from history books. The book is liberally illustrated with between 50-60 black and white photographs arranged in sections      **Official Radio Service Manual**, 1930      [Black London](#) Avril Nanton, Jody Burton, 2021-07-08 Discover the people, places and landmarks that have rewritten history.
