Olukoya, 2014-07-23 70 Rules of Spiritual Warfare 70 Rules of Spiritual Warfare is an indispensable manual This book emits fire It is a classic which everyone involved in spiritual warfare will treasure in these end times The exposition of these tested and proven rules is a product of thorough research by a spiritual warfare expert who has blazed the trail as a global phenomenon in the field of deliverance and spiritual warfare The rules will prove efficacious with application The prayer points included will produce fantastic results It is handy well articulated and prophetic This is an invaluable companion for everyone whose passion is unchallengeable victory *Spiritual Warfare: Rules of Engagement* Ron Hordyk, 2015-01-14 For though we live in the world we do not wage war as the world does The weapons we fight with are not the weapons of the world On the contrary they have divine power to demolish strongholds 2Cor 10 3 4 Today the church has neglected to teach about the spiritual realm for fear of being judged archaic It has denied a key Scriptural truth that the whole world is under the control of Satan The church has forgotten that angels were created to serve Gods people It has also rejected the authority Christians have as ambassadors of Christ Finally the church has sacrificed its power to impact the world in order to gain credibility with the world People have chosen the religion of science Consequently if science and Scripture disagree even people within the church believe science to be the truth There are three main pillars in science observable repeatable and irrefutable Any scientific fact must fulfill these pillars to be presumed true Since the spiritual realm is invisible and not observable science deems that this realm does not exist When the spiritual realm manifests itself in an event science excuses the anomaly to be something they have yet to understand The Scriptures teach that Christians have overcome sin Satan and the world Through the Holy Spirit we can discern both the spiritual realms presence and its activities We are not called to be demon slayers but we are called to engage the enemy in order to bring freedom and wholeness to people The Bible teaches that a war exists between Satans kingdom and Gods kingdom Every war has Rules of Engagement The purpose of this book is to identify the spiritual realm recognize its methods of operation and ultimately learn the rules that enable us to effectively engage our enemy Satan **Rules OF Engagement In Spiritual Warfare** EMMANUEL OKAFOR, 2025-10-04 All successful deliverance must begin by first removing that which defends the enemy or gives him access to your life and destiny In speaking of spiritual warfare the apostle Paul registers the word stronghold to

define the spiritual fortresses in which Satan and his legions hide and are protected These strongholds exist in the thought patterns and ideas that govern individuals and organizations as well as communities and nations Under the Rules of Engagement in spiritual battles it s important to point out that the weapons of engagement are absolutely spiritual and not carnal Therefore the use of physical forces or arms among civilians are biblically unauthorized It is evident that God sets the rules of engagement in spiritual warfare Everything begins with Him and ends with Him So it is only natural that He sets the rules of combat Once this is understood warfare becomes part and parcel of life till the end of times either we die and go to be with the Lord or He comes and ends the world Many Christians have discovered that warfare is not as easy as binding and losing the devil The details of engagement at performance and procedures at working of warfare have severe implications and applications on a daily basis All of humanity is in a war for their survival Warfare is real on two levels the natural and spiritual The earth is hurtling towards disaster because of the works of the devil on earth Man is out of control on planet earth and he knows it Yet man ignorantly continues on his merry little way fulfilling the impulses and desires of the devil To understand the rules of engagement we have to look no further than the deliverance of Israel as a nation from Egypt God sets the scene using the first rule of engagement which is God initiated warfare And the Lord spake unto Moses saying speak unto the children of Israel that they turn and encamp before Pihahiroth between Migdol and the sea over against Baalzephon before it shall ye encamp by the sea For Pharaoh will say of the children of Israel They are entangled in the land the wilderness hath shut them in And I will harden Pharaoh s heart that he shall follow after them and I will be honoured upon Pharaoh and upon all his host that the Egyptians may know that I am the Lord And they did so Exodus 14 1 5 The Rules of Engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with God s power and authority The Rules of Engagement for the Christian engaging in warfare is obedience to the instructions God has given the professing Christian to live by Christians must know the Word of God to apply when occasion demands in any given situation or circumstance Mind you every situation circumstance and issues are not brought on by demonic activity Rule of engagement is applicable when the Christian wages war on the devil He does this to take back territory and establish the Kingdom of God on earth The idea of preaching the gospel is really entering into warfare The moment you put your hand to the plough you are engaged in warfare The rules here are even riskier because you have to walk in a manner that is not only walking in righteousness and holiness but listening to the Holy Spirit who trains your fingers for battle Many Christians have gone out on a mere impulse and unconfirmed divine direction and have found themselves in deep trouble Though we are called to be witnesses for Christ Jesus told His disciples that He was giving them power to be His disciples He did this when He sent the Holy Ghost and power We too must receive the Holy Ghost and power This is essential to warfare and the spreading of the gospel When you begin to engage the instructions revealed in this book and Prayer Manuel your relationships shall be healed your finance and health will be restored and your wealth shall be

released Your latter end shall be more glorious than your beginning if you sincerely partake in this spiritual exercise Your possession shall multiply and your family foundation and heritage shall have a divine visitation and revival You will have an encounter with the power of God which gives one divine immunity against evil and demons Be encouraged and remember to pray without ceasing 1 Thess 5 17 EMMANUEL OKAFOR *The Rules of Engagement* N. Cindy Trimm,2001-11-01

Rules Of Engagement Cindy Trimm,2010-09-24 Beat the devil at his own game and wage warfare with confidence There is a spiritual battle going on and prayer warrior and intercessor Cindy Trimm has given you a manual to wage effective warfare The Rules of Engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with God s power and authority Rules of Combat Jermaine J. Jones,2010-03 Rules of Combat I believe is an authoritative direction of Spiritual Warfare given to me under the inspiration of the Holy Spirit which teaches Christian Soldiers how to understand and engage in Spiritual Warfare This book teaches about subjects like The Doctrine of Baptisms and Temptations in the Battlefield These two subjects are critical when laying a solid foundation in Christendom You will begin to understand different Realms of Combat and acquire the necessary skills that are needed in order to defeat Satan on many levels This book also enables its readers to adopt a new way of thinking towards Spiritual Warfare simply by allowing God to destroy old traditional mind sets GET READY PUT ON YOUR WAR CLOTHES IT S WARTIME SAINTS Rules of Engagement Derek Prince,Derek Prince Ministries - UK.,2006 **The Laws of Spiritual Warfare** Stephen E.
