Adoption and impact of OER in the Global South Cheryl Hodgkinson-Williams, Brazil Arinto, 2017-12-29 Education in the Global South faces several key interrelated challenges for which Open Educational Resources OER are seen to be part of the solution These challenges include unequal access to education variable quality of educational resources teaching and student performance and increasing cost and concern about the sustainability of education The Research on Open Educational Resources for Development ROER4D project seeks to build on and contribute to the body of research on how OER can help to improve access enhance quality and reduce the cost of education in the Global South This volume examines aspects of educator and student adoption of OER and engagement in Open Educational Practices OEP in secondary and tertiary education as well as teacher professional development in 21 countries in South America Sub Saharan Africa and South and Southeast Asia The ROER4D studies and syntheses presented here aim to help inform Open Education advocacy policy practice and research in developing countries

The African National Congress and the Regeneration of Political Power Susan Booysen, 2011-11-11 The African National Congress is light years beyond the liberation movement of old It remains a juggernaut but its control and dominance are no longer watertight The ANC lives the contradictions of weaknesses cracks and factions while retaining its colossal status As a party movement it draws on its liberation credentials and extracts immense power from its deep anchorage in South Africa s people It is immersed in electoral politics that marks the state of its overwhelming power cyclically As government the ANC is the object of protest but not protest designed to bring the ruling party to its knees The ANC is in command of the state yet fails to definitively counter the deficits that make South Africa s democracy seem so diluted Its incredulous and thus far trusting supporters condemn but only rarely punish deployees who do not pass through the eye of the needle The ANC and the Regeneration of Political Power unpacks these contradictions It focuses on four faces of the ANC s political power the organisation the people political parties and elections and policy and government and explores how the ANC has acted since 1994 to continuously regenerate its power By 2011 12 the power configurations around the ANC were converging to a conjuncture holding vexing uncertainties This book presents insights into how South African politics in many ways synonymous with the politics of the ANC is likely to unfold in years and possibly decades to come
