## **Lincoln For Beginners:**

*Lincoln For Beginners* Paul Buhle, 2015-01-13 There is no greater symbol of the American presidency than Abraham Lincoln Though Lincoln himself his personality the sources of his dedication and his idealism remains very much a mystery The sudden rise to world stature of a hard traveling lawyer from the frontier with no prominent family or social connections to back him was a wonder of the age Well over a thousand books about Lincoln have been written and still the enigma remains perhaps because it is the enigma of a young country finding its footing and its destiny Yet no part is deeper more perplexing than Lincoln s own beliefs about God and destiny Featuring a foreword by Pulitzer prize winning author Eric Foner *Lincoln For Beginners* sets to demystify the man behind the legend [Teacher's Manual: How to teach beginners](#)
