Breaking the Silence

Jorge Mario Bergoglio, 2013-08-20 From the selection of his papal name to immediate rejection of some pomp and ceremony to visibly and literally embracing the poor and outcasts to that remarkable spontaneous give and take with reporters on the plane ride back from Brazil Pope Francis has set Catholics abuzz with a seemingly open stance on a variety of subjects taking many by surprise But where does Francis want to lead the church Laying out his vision and agenda for the church he had issued a call to action to spread the church's message be more active and find better ways to communicate and connect with people

BREAKING THE SILENCE Explore the insights of Pope Francis from his homilies during his time as a church leader in Latin America to provide valuable insight into how pastors and faithful will make an effort to respond faithfully to the eternal mission to bring Jesus Christ to humanity and to lead humanity to an encounter with Jesus Christ the Way the Truth and the Life truly present in the Church and at the same time in every person

Encountering Christ Pope Francis, 2013 When Cardinal Jorge Mario Bergoglio stepped out onto the balcony in St Peter's square as the new Pope many were unfamiliar with him Many wondered who he was where he was from and how he would lead the Church in these trying times When his name was announced Francis the world had its first indication that this was going to be a Pope of firsts But for those who already knew Pope Francis as Cardinal Bergoglio there was nothing surprising about the choice of that name As the archbishop of Buenos Aires Cardinal Bergoglio had already developed a reputation as a man of unusual humility simplicity love for the poor and evangelical spirit

Encountering Christ gives the reader a glimpse into the heart and mind of Pope Francis It offers a selection of homilies letters and addresses delivered from 2009-2013 as archbishop of Buenos Aires These texts contain many of the themes that have already emerged as central to Pope Francis' pontificate love for the poor the dangers of a self-referential Church and the need to go out and bring Christ to the world As the world learns more about Pope Francis in the months and years to come these texts offer an introduction into the spiritual priorities of our new Holy Father

The Mind of Pope Francis

Massimo Borghesi, 2018-08-15 A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors Massimo Borghesi's *The Mind of Pope Francis* Jorge Mario Bergoglio's Intellectual Journey dismantles that image Borghesi recounts and analyzes for the first time Bergoglio's intellectual formation exploring the philosophical theological and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry Central to that vision is the church as a *coincidentia oppositorum* holding together what might seem to be opposing and irreconcilable realities Among his guiding lights have been the Jesuit saints Ignatius and Peter Faber philosophers Gaston Fessard Romano Guardini and Alberto Methol Ferrer and theologians Henri de Lubac and Hans Urs von Balthasar Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church Notably this groundbreaking book is informed by four interviews provided to the author via audio recordings by the

pope himself on his own intellectual formation major portions of which are published here for the first time Breaking the Silence Jorge Mario Bergoglio, 2013-08-07 From the selection of his papal name to immediate rejection of some pomp and ceremony to visibly and literally embracing the poor and outcasts to that remarkable spontaneous give and take with reporters on the plane ride back from Brazil Pope Francis has set Catholics abuzz with a seemingly open stance on a variety of subjects taking many by surprise But where does Francis want to lead the church Laying out his vision and agenda for the church he had issued a call to action to spread the church's message be more active and find better ways to communicate and connect with people **BREAKING THE SILENCE** Explore the insights of Pope Francis from his homilies during his time as a church leader in Latin America to provide valuable insight into how pastors and faithful will make an effort to respond faithfully to the eternal mission to bring Jesus Christ to humanity and to lead humanity to an encounter with Jesus Christ the Way the Truth and the Life truly present in the Church and at the same time in every person *My Door Is Always Open* Jorge Mario Bergoglio, Pope Francis, 2014 Pope Francis's charisma humility and his refreshing openness to change has galvanized Catholics around the world and energized the Church in America Observers call his astonishing appeal The Francis Effect he has brought many American Catholics back into the pews and excited them with his promise of change in a long hidebound institution *My Door Is Always Open* is the new Pope's first statement in his own words a wide ranging deeply personal and amazingly candid discussion of his faith and his fresh vision for the Church The book contains the complete text of a multi hour interview with Fr Antonio Spadaro editor of the Italian Jesuit journal Excerpts from this interview on release to press caused sensation around the world The topics included the Church's need to find a stronger role for women and less punitive attitudes toward sexuality including that of gay Christians Here at last is the full interview with detailed interpretive commentary by Fr Spadaro a longtime observer of the Vatican Pope Francis makes clear in his own words that he will be a reforming Pope bringing an entirely new meaning to the mission of the Roman Catholic Church by his insistence that this is a Church of and for the poor Looking to the missionary history of his own order the Jesuits he speaks of the need for the Church to be on the frontier observing the thing the church needs most today is the ability to heal wounds and to warm the hearts of the faithful This is the first book by Francis since becoming Pope previous titles have been translations of works published before his election *My Door Is Always Open* offers is the most plain spoken and persuasive guide to Pope Francis's vision and to his humanity as one of the most charismatic figures of our time *Understanding Pope Francis* Javier Cámara, Sebastián Pfaffen, 2015-09-01 English edition of the biography originally in Spanish written by two journalists who were amazed when the same Pope Francis Jorge Bergoglio called them on the phone with the intention to participate in the book and telling them his version of the most important events of his life in particular those years lived in Cordoba in central Argentina Almost an autobiography of the Argentine Pope that will surely become a source of reference for the future
