Maiden, Warrior, Mother, Crone Julie Peters, 2025-07-01 Goddesses are not only powerful spiritual figures they are also archetypes that represent our deepest feelings and most powerful experiences They are exiles witches queens lovers grievers rage filled warriors playful beauties despairing crones and hopeful maidens They can move with us through the cycles of our lives teaching us over and over again what can be learned from our most difficult experiences Through the stories of goddesses and mythic figures from around the world we will learn how exile makes us powerful how grief is a form of love how protest and play can work together how rage is a necessary aspect of forgiveness how loneliness can be a magical form of desire and how despair always sits right next to hope This book will explore a range of goddesses including Eve Lilith Inanna Persephone Kali The Morrigan and more spanning mythology from the East to the West Learn how these divine feminine archetypes are with you in times of struggle and a part of you in times of strength Framed around the archetypes of maiden warrior mother and crone this book looks at how embodying the power of the goddesses can be a balm in hard times and help readers to connect with and feel how important their emotions and their divine feminine power can be

Maiden Mother Crone Madeleine F White, 2025-04 Maiden Mother Crone is a memoir in verse challenging the traditional approach to faith by putting Madeleine's own stories at the heart of a narrative defined by a quest for spiritual identity Encased within the spiritual feminine it offers magic and mysticism abuse and reconciliation power and perception and faith and feminism This collection is a cri de coeur for women who may have been side lined abuse and disenfranchised to find their own seat at the table Taking its cues from the older more matriarchal nature and Celtic and Nordic traditions Maiden Mother Crone takes us on a journey from mother goddess to modern faith With inclusion and spiritual expression at the heart of it the collection calls upon us to find a new way to be and to connect reminding us that as Maidens Mothers and Crones we speak the same fundamental truths the world over I'll weave pixels into promises and shared words into prayers of hope and so transform this world of men to somewhere crones can fly again Maiden Mother Crone is part of the acclaimed Crossing Places series
