The author Jack Wiley has owned a 1977 Toyota Pont X motorhome that he and his wife named Little House for 16 years. He sums up this experience as follows: Little House has given me a lot of free being traveling for relatively little money. This is traveling that I would not otherwise have been able to afford. During this traveling I have been able to see things and do things that I would not otherwise have experienced. A Toyota motorhome made all this possible.

Used Motorhome Buying Guide Carl Cunningham, 2020-08-10

Are you in the market for buying a used RV? Do you want to purchase a motorhome but aren't sure what to look for? Do you need a helpful guide for how to buy a camper for your next family vacation? Do you want to save money on your RV purchase? You need this used RV buyer's guide. My book *Used Motorhome Buying Guide* will teach you everything you need to know about how to purchase a used RV motorhome, travel trailer, or camper of your dreams. Your new motorhome should fit your needs as best as it can. You deserve to travel in comfort and style. Armed with the knowledge of how to get the best deal when buying a used RV, you can save precious money and time. This book will give you vital advice and guidance on how to buy a used motorhome. I am a travel writer by trade but a nomad by choice. Traveling the country by RV is one of the best ways to truly experience nature and adventure. I have lived in my share of different types of recreational vehicles, all with their own pros and cons. With this nomadic lifestyle comes the challenges of repairs and maintenance of a home on wheels. This book is the culmination of what I have learned about the best practices of how to buy a used RV. The first section of this book is all about the basic factors of RVs. It is important for you to understand all the basics surrounding motorhomes. I help you understand the different types of motorhomes, the features of each type, and the benefits. We also look at the features to expect in an RV and factors to consider before deciding to buy a used RV. I help you compare the benefits of buying a used RV versus buying a new one. This way you have a clear perspective on your options. In the second section of the book, you are introduced to RV inspections. When purchasing a used RV, the value you get depends on your inspection process. We help you prepare a detailed checklist of everything you desire in an RV. For you to find an RV that matches your needs, you must start by preparing a detailed list of all your needs and expectations. From this list, I help you figure out the features that are the most important and the ones that are not necessary. In the third section, we focus on testing the features of the RV and authenticating the legality of the ride. For anyone looking to buy a used RV, this is one of the most important sections. You can't get a good deal unless you know how to inspect the used RV and test the features. The book outlines the tricks and tips used to detect faults in the plumbing and electrical systems of the RV. We look at the best way to test drive a used RV and the features to focus on during test drives. We detail the secrets used by RV dealers to hide problems and how to uncover any hidden issues. In the fourth section of the book, we look at all the legal matters that affect used RVs. I help you understand the possibilities of buying an RV that is involved in crime or accidents. We look at some of the ways you can authenticate and verify the legality of an RV. Finally, we look at the risks and precautions involved in buying used RVs. Generally, this last

section just helps sum up all the dangers involved in buying used RVs If you are looking to purchase a used RV a new RV or to learn more about RVs this book is for you I am sure you have learned a lot and you are on the path to find the best ride for you and your family As a BONUS I have provided you with a detailed checklist to take along with you as perform your pre purchase inspection Instructions on obtaining a printable checklist are included You will want to click Buy Now and add this title to your collection and I promise to save you money headache and frustrations from buying a lemon

Camper Vans & RV's Henry Hirst, 2011-12-01 *Little House on the Road* Jack Wiley, 2015-03-18 *LITTLE HOUSE ON THE ROAD* is about Free Being traveling in a mini motorhome Little House is the name the author gave to a 1977 Pont X fiberglass mini motorhome mounted on a Toyota chassis that he purchased used in 2001 for 1 500 Since then Little House has given first the author and his wife and later the author alone thousands of miles of Free Being traveling at surprisingly little cost This book describes this economical way of traveling Mini motorhomes are not only easy to drive and park they also allow you to take your own little house along with you wherever you go

Motorhome Living for Beginners Jim Jackson, 2014-09-17 When you want to change your lifestyle entirely you need to have enough motivation but you also need to have knowledge about the lifestyle that you are adopting Many people who want to live in an RV full time fail to find a balance in their lives which make that living pleasurable while others can live the dream and learn to compromise on comforts for the sake of freedom They wake up in the mornings to feel that they have breathed fresh air They see different scenery every morning if they so wish What you need to know before joining them is whether you re cut out for the lifestyle and what differences there are between living in a conventional home and living in an RV This book bridges that gap in your knowledge and although you may choose to save a fortune by staying at home you may also choose the lesser travelled road and discover the benefits of living in an RV Both lifestyles either in an RV or a home have their pros and cons Many who choose the RV lifestyle find that adapting their lives comes naturally It takes a unique and free spirited person to compromise on the luxuries of home living in favor of the adventurous lifestyle offered by RV living though many do Once you weigh the pros and cons you can make the choice wisely and that s what this book is all about The book will appeal to the free spirited who seek something more than merely surviving month to month oppressed by mortgage payments and housing taxes Both have benefits though those who live the

life they choose rather than the life chosen for them by responsibility find that RV life tests their personal boundaries and skills freeing up their lives to live beyond the grid Journey with us and learn if living in an RV will suit you and be prepared for the journey of your life *RV Rating Book* J.
