

MARK SCHEME for the October/November 2013 series

0580/11

0580 MATHEMATICS

Paper 1 (Core), maximum raw mark: 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark scheme for the October/November 2013 series for most IGCSE, AICE, ASCE, Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.
