Lotz-Sisitka,Overson Shumba,Justin Lupele,Di Wilmot,2016-11-11 This book considers the scope and dynamics of Education
for Sustainable Development ESD and learning in schools in Africa It explores the conditions and processes that support such
learning and examines how ESD in schooling can improve the quality and relevance of education The quality of education has
been defined internationally as a key concern for educational institutions around the world including schools in Africa The
models of quality are often limited to performance based approaches and or inclusive approaches The contributions in this
book show that there is more to a discussion on educational quality in Africa than performance success and or inclusion The
chapters explain how ESD brings a new relevance to education in Africa and at the same time sounds the beginning of a new
concept of quality education The volume presents a collection of experiences in creating and supporting quality learning
processes through a variety of ESD practices Summer Session General Announcement Iowa State College,1912
