The Male Chastity Companion Park Cannon, 2025-04-05 The Male Chastity Companion isn't like any other book you've read on male chastity It is a collection of opinionated and insightful essays written by chastity expert Park Cannon whose 20 years of experience as a chastity sub provide a unique perspective that sets this book apart from others Chastity is a subset of BDSM that is a power exchange between a submissive and dominant In chastity role playing the sub is restrained in a chastity device that prevents sexual stimulation and their dom holds the key to the device controlling that experience As specific as that may sound chastity is a remarkably versatile and adaptable kink It is just as often a solo experience as it is one including a keyholder The locked person doesn't always have to mean the sub It can be enjoyed by couples that aren't interested in dom sub power dynamics It

can be meaningful or just a fun sensual experience The mechanics of play the roles of those involved the stated goal or purpose and the symbolism or meaning you give it are all personal decisions with no right or wrong answer To try to delineate any one true way to engage in chastity role playing would be an act of hubris and an insult to the thousands of people who have found a different way that works better for them In that spirit this book tries to be neither prescriptive nor complete It discusses chastity from a unique and singular perspective and widens that perspective whenever possible but at the end of the day this is as much memoir as it is reference book The chapter titles reflect the diverse range of topics that are covered Weird is the New Normal Comprehensive Guide to Male Chastity Debunked Chastity in the Middle Ages When is Chastity Not About Chastity Chastity s Female Problem A Cautionary Tale of Chastity Belts and Body Scanners Essential Chastity Websites In Defense of the Word Faggot How to Shop for a Chastity Device Kinky Glossary With the publication of The Male Chastity Companion Park Cannon has solidified his position as a leading voice in male chastity today If you purchase just one book on male chastity this year it should be this one This 18 300 word 99 page book is currently available worldwide exclusively on Amazon **The Ultimate Woman's Guide to Male Chastity** Mistress Dede,2015-11-26 If you are reading this book you are most probably a woman interested in broaching the matter of male chastity You see this book is all about male chastity in other words self control The question is how exactly can this male chastity thing help you and your partner s sex life You are probably confused and you don t have to worry for you are not alone in this This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship At first the idea of locking your partner s male organ in a device seem strange to you But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact This is because most of those writings are written by men as an outlet to let out their kinky fantasies It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women s tastes You are likely to get turned off by these thinking that the whole male chastity thing is not for you However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner *Chastity for Men in Relationships* Diane Spencer, Lee Spencer,2017-12-08 The guide for male chastity extended version since April 2019 So your partner has talked to you about chastity and wants you to check it out He said that he would like to wear a chastity belt or maybe already wears and wants to give you the keys for it and wants you to keep him in chastity Or maybe you are a man and want to be held in
