

# My Favourite Season Summer

Of all the six seasons, my favourite season is summer. It is the hottest season of the year. The summer season starts in March and ends in June. In this season the sun shines brightly. The best part of this season is summer vacation. This is a great relief from a hectic schedule, home works, and exam pressure. I enjoy the vacation by going to a beach or a hill station with friends and families. In summer I like to have cold drinks, lassi, ice cream, and coconut water. We get many fruits in this season like mango, watermelon, litchi, jackfruit, pineapple etc. Many festivals such as charak puja, Rama Navami, Baisakhi, Rabindra Jayanti, etc. are celebrated in this season. Summer is just a wonderful season with so much fun and enjoyment.

*Lateness and Modern European Literature* Ben Hutchinson, 2016-09-08 Modern European literature has traditionally been seen as a series of attempts to assert successive styles of writing as new In this groundbreaking study Ben Hutchinson argues that literary modernity can in fact be understood not as that which is new but as that which is late Exploring the ways in which European literature repeatedly defines itself through a sense of senescence or epigonality Hutchinson shows that the shifting manifestations of lateness since romanticism express modernity's continuing quest for legitimacy With reference to a wide range of authors from Mary Shelley Chateaubriand and Immermann via Baudelaire Henry James and Nietzsche to Valery Djuna Barnes and Adorno he combines close readings of canonical texts with historical and theoretical comparisons of numerous national contexts Out of this broad comparative sweep emerges a taxonomy of lateness of the diverse ways in which modern writers can be understood in the words of Nietzsche as creatures facing backwards Ambitious and original *Lateness and Modern European Literature* offers a significant new model for understanding literary modernity
