OWNER'S MANUAL

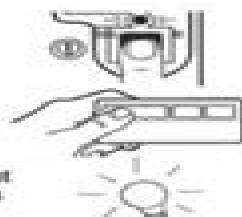

The 900 Series remote control works only with door openers and light controls having an orange "Learn" button.

Programming instructions are described and illustrated below. The additional push buttons can also activate other garage door openers and/or light controls. (Instructions for programming light products are included with those accessories.)

**Instructions are Described and Illustrated Below**

1. Press and release the "learn" button on the motor unit. The learn indicator light will glow steadily for 30 seconds.
2. Within 30 seconds, press and hold the button on the hand-held remote.

2. Press and hold the Light button on the door control.
3. Press and hold the Lock button on the door control.
