*The Autism of Gxd* Ruth M. Dunster, 2022-12-02 The Autism of Gxd An Atheological Love Story is truly a love story the story of Ruth Dunster's autistic search for an authentic personal and theological Gxd In this it resembles Augustine's Confessions as a theological autobiography It becomes atheological however as Dunster reckons with what Denys Turner terms The Darkness of God This awareness leads her through the poetry of Medieval mystics to the mythic death of God theology of Thomas J J Altizer The search for faith is nonetheless very real in this strange territory Dunster hears her autistic Gxd speaking in art poetry novels and music and this further leads her into the territory of Literature Theology and the Arts where in Blanchot's words the answer is the poem's absence Indeed Dunster calls the book a strange poem or even a hymn Weaving an autistic mythology out of a rigorous survey of clinical autism this book abounds in challenge and paradox It offers a fascinating view into how an autistic poet becomes a theologian and what more mainstream theologies might learn from this disabled Gxd
