My Guardian Angels And Other Inspirational Stories And Poems:

My Guardian Angels and Other Inspirational Stories and Poems Vivian Hunsucker, Della Tounzen, 2014-11-20 My Guardian Angels is a story of events where I was protected These events are evidence of the existence of guardian angels but I wouldn't believe they exist if God's Word didn't speak of them The story tells of my need to call on God for help so he will send them to my aid This is something I still need to work on Since I published this book on Kindle I fell from a ladder breaking my wrist and injuring my shoulder When I started to fall my first thought should have been to call on God for help Instead my first thought was to get clear of the ladder so I could land on my feet The ladder seemed to move with me causing me to land on it I want to get to the point where God is such a part of my life that He is my first thought In parts two and three I included some inspirational stories and poems that I hope you will enjoy *Straight from My Heart* Jacqui

DeLorenzo, 2012-09-17 *Straight from My Heart* presents a collection of true stories and poetry written by a woman who has helped others to discover their true selves It shares her journey as her life is touched by others Author Jacqui DeLorenzo shares several inspiring tales of hope and courage intended to resonate with anyone who has suffered a hardship or the loss of a loved one She considers whether there is life after death She also ventures on journeys to the other side of the rainbow to a place where there is no pain and no illness She goes to a place where we can find love in our hearts peace in our souls and happiness in our lives again even when it seems that all has been lost along the way Each story seeks to open hearts touch souls and encourage all to believe in what is possible Through the personal journeys of DeLorenzo her friends her hospice patients and their caregivers *Straight from My Heart* provides the opportunity to know and understand that life continues after this life on earth We need to open our hearts to the positive energy and the spirit of loved ones who are on the other side waiting to greet us with open arms when it is our turn to journey to the other side **French Classics - Boxed Set:**

[What Happens When We Die?](#) Margarete van den Brink, Hans Stolp, 2017-06-21 Is there truly life beyond death What really happens when we die Can the living stay connected with or even help their loved ones who have passed on Answers to these questions have traditionally been sought for in Eastern religions but perhaps surprisingly for some they can also be found within the Christian tradition In fact such knowledge was prevalent in early Christianity but was gradually suppressed and eventually forgotten Turning to hidden esoteric sources that reveal lost meanings within the Bible the Dead Sea Scrolls and other Gnostic texts Hans Stolp and Margarete van den Brink describe the world of light that exists beyond death and the seven steps needed to progress through its realms The authors draw on near death experiences as well as the many profound personal encounters with deceased friends and family members described by people in recent times With this knowledge together with Rudolf Steiner s research they offer answers

to the following questions What is the world beyond death really like and what tasks await us there Why is love and wisdom gained in life on earth so important in the afterlife How can the living help or hinder the dead How do the departed themselves help loved ones who are left behind How does the Christ sustain the dead as they review their previous life and prepare for the next This is an extraordinary guide to understanding what happens after death It also offers invaluable advice on staying connected to our loved ones who have passed on **Fiction, Folklore, Fantasy & Poetry for Children,**
