

## My first job experience

I appreciate the most, I feel the individual who I respect most is A. R. Raman. He is an composer, vocalist lyricist, music maker, performer and donor. For the duration of my life, music has dependably been a significant Impact. Music Is an exceptionally Imperative piece of our live, and the Individuals who make music are extremely extraordinary In this world. I appreciate A. R. Raman In light of the way that being a musical artist Is an extraordinary vocation on the grounds that the compensation is great, hard specialist and he got many awards.

Most importantly, Raman is the extraordinary music composers in India. He is the writer and also an author and artist. Raman gets compensated as a rate of the quality his songs gets sold. He gets about RSI. 2 to 4 score for one film. The way it meets expectations for a top music author is this: he charges around 10 to 20 lake rupees for every tune; If there are six tunes, he gets paid RSI. 60 lake to 1 to 2 score. In Dalton to this Raman lives up to expectations hard to accomplish his objectives. For Instance when he Is nine his father was dead from that point he starts playing console and orchestrates groups, for example, Roots.

He comprehended the console, piano, synthesizer, harmonium and guitar. He got many awards in India as well as in different nations too like Oscar for best melody in Slum dog Millionaire. In spite of the fact that A. R. Raman acquire a normal compensation of around 2 to 4 score for every film, this is just following 10-15 years of being in the music business. Before they achieve this pay, most artists likely battle just to make a proper living and pay the bills. But at that point then there are plentiful, there are numerous different reasons, other than compensation, his dedicated nature and getting recompenses for his diligent work.
