brothers and fathers chose different sides in the Civil War

**Murder at Fords Theatre** is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harms way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of the family sided with the North Lincoln was a perfect object for Booths hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story

**"They Have Killed Papa Dead!"** Anthony S. Pitch,2018-09-11 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most breathtaking moments in history and reveals much about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material quotes from previously unpublished documents diaries letters and journals With an unwavering fidelity to historical accuracy Pitch provides confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important insights to our national story

Why Was Lincoln Murdered? Otto Eisenschiml, 2020-12-01 Why did General Grant suddenly alter his plans and decide not to go to Ford's Theater on the evening of Lincoln's assassination Who during that same night tampered with the telegraph wires leading out of Washington Why was the President's bodyguard at the playhouse guilty of the grossest negligence not punished nor even questioned Perhaps the most serious reproach against

historical writers is not that they have left such questions unanswered but that they have failed to ask them Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

**Lincoln's Assassins** James L. Swanson,Daniel Weinberg,2008-05-20 This definitive illustrated history of Abraham Lincoln s assassination follows the shocking events from the tragic scene at Ford s Theatre to the trial and execution of John Wilkes Booth s coconspirators Few remember them today but once the names Mary Surratt Lewis Powell David Herold George Atzerodt Edman Spangler Samuel Arnold Michael O Laughlin and Dr Samuel Mudd were the most reviled and notorious in America In *Lincoln s Assassins* James L Swanson and Daniel R Weinberg present an unprecedented visual record of almost three hundred contemporary photographs letters documents prints woodcuts newspapers pamphlets books and artifacts many hitherto unpublished These rare materials evoke the popular culture of the time record the origins of the Lincoln myth take the reader into the courtroom and the cells of the accused document the beginning of American photojournalism and memorialize the fates of the eight conspirators *The Assassination of Abraham Lincoln* Osborn H. Oldroyd,1901 Intro by Gen T M Harris Oldroyd was a collector of Lincolniana for forty years His book includes accounts of Lincoln s assassination the pursuit of Booth afterward the subsequent trials and the people and places Oldroyd encountered on an 80 mile *The Assassination of Abraham Lincoln and the Manhunt for John Wilkes Booth* Charles River Editors,2025-05-04 In the 19th century the Scottish writer Thomas Carlyle famously wrote The history of the world is but the biography of great men popularizing the Great Man theory that the course of history is shaped by a select few heroic individuals While historians and others continue to debate the accuracy of the Great Man theory of history there is no question that the course of history is permanently altered by decisive moments in time where a different result would have produced drastically different outcomes Charles River Editors *Decisive Moments in History* examines the events that changed history forever and set the world down the path it finds itself on today Until April 14 1865 John Wilkes Booth was one of the most famous actors of his time and President Abraham Lincoln had even watched him perform But his most significant performance at a theater did not take place on the stage That night Booth became one of history s most infamous assassins when he assassinated President Lincoln at Ford s Theatre in Washington D C Booth was a member of the prominent 19th century Booth theatrical family from Maryland and by the 1860s was a well known actor But he was also a Confederate sympathizer who dabbled in espionage and he was increasingly outraged at the Lincoln Administration Although Robert E Lee s Army of Northern Virginia had surrendered days earlier Booth believed the war was not yet over because Confederate General Joseph E Johnston s army was still fighting the Union Army so he and his group of conspirators plotted to kill Lincoln and other top officials in a bid to decapitate the federal government and help the South Perhaps not surprisingly the actor s flair for the dramatic came at a cost to the plot It took almost no time for the shocked public and the federal government to begin unraveling Booth s conspiracy which had mostly faltered from the beginning Following the

shooting America's most famous manhunt commenced which itself became the stuff of legends After the shooting during which it is believed he broke his leg Booth fled south on horseback with authorities hot on his tail 12 days later while he was at a farm in rural northern Virginia Booth was tracked down and shot by Boston Corbett a Union soldier who acted against orders Eight others were tried for their alleged involvement in the plot and convicted and four were hanged shortly thereafter as a result of some of the nation's most famous trials Decisive Moments in History The Assassination of Abraham Lincoln and the Manhunt for John Wilkes Booth covers the origins of Booth's plot the assassination and the eventual capture and killing of Booth while assessing the aftermath and analyzing the what ifs Along with pictures of the important people and places you will learn about the Lincoln assassination and the manhunt for Booth like you never have before in no time at all

The Assassination of Abraham Lincoln Michael Burgan, 2004-09 Describes the events leading up to and after the assassination of Abraham Lincoln **The Lincoln Assassination** William C. Edwards, Edward Steers, 2010-10-01 On April 22 1865 Brevet Colonel H L Burnett was assigned to head the investigation into the murder of President Abraham Lincoln and the attempted murder of Secretary of State William H Seward Burnett orchestrated the collection of thousands of documents for the Military Commission's trial of the conspirators This deep archive of documentary evidence consisting of letters depositions eyewitness accounts investigative reports and other documents provides invaluable insight into the historical cultural and judicial context of the investigation Only a fraction of the information presented in these documents ever made its way into the trial and most of it has never been readily accessible By presenting an annotated and indexed transcription of these documents this volume offers significant new access to information on the events surrounding the assassination and a vast new store of social and political history of the Civil War era With tears in my eyes I think it your duty to hang every rebel caught I feel as bad as if it was my own mother or father always silent reticent Deposition of Benjamin Barker Pistol Gallery proprietor **The Trial** Edward Steers, 2003-07-31 Transcripts from the trial of John Wilkes Booth's co-conspirators plus commentary Unquestionably the world class expert on Lincoln's assassination Civil War News On the night of April 14 1865 John Wilkes Booth assassinated President Abraham Lincoln in what he envisioned part of a scheme to plunge the federal government into chaos and gain a reprieve for the struggling Confederacy The plan failed By April 26 Booth was killed resisting capture and eight of the nine conspirators eventually charged in Lincoln's murder were in custody Their trial would become one of the most famous and most controversial in US history New president Andrew Johnson's executive order on May 1 directed that persons charged with Lincoln's murder stand trial before a military tribunal The trial lasted more than fifty days and 366 witnesses gave testimony Benn Pitman an expert in phonography an early form of shorthand was awarded a government contract to produce a transcription of each day's testimony Pitman made these transcripts available to the prosecution and defense as well as select members of the press Although three versions of the testimony were published Pitman's edited collection was the most accessible He skillfully winnowed the 4 300 pages of transcription into one

volume collated the testimony by defendant indexed it by name and date and added summaries In The Trial assassination scholars guide readers through all 421 pages of testimony illuminating Pitman s record By drawing together the evidence that resulted in the conspirators convictions The Trial leaves no doubt as to the events surrounding the assassination of Abraham Lincoln making this book a fascinating account of the trial as well as an essential resource Steers s lineup is truly expert readers will be able to distinguish between fact and fancy and come away with a far better understanding of Lincoln s assassination William Hanchett author of The Lincoln Murder Conspiracies **The Assassination of Abraham Lincoln** Carl R. Boyd, 2011-12-07 The assassination of Abraham Lincoln changed the course of American history Every school child knows that President Lincoln was shot by John Wilkes Booth an actor at Fords Theater But it seems no one is taught that this assassination was a true conspiracy The initial plan of Booth and his co conspirators was to kidnap Lincoln but the plan was then changed to the simultaneous murder of the President Vice President and Secretary of State Few people know that eight people were tried by the United States government found guilty and four of them were subsequently executed for conspiring to assassinate the President of the United States Dr Boyd tells the story of a nation struggling over the question of slavery Lincolns election the major events of the Civil War and the conspiracy to assassinate one of the most beloved Presidents of the United States Much more a narrative than an historical treatise his concise style and the incredible story illustrated with images of the people involved captivate readers from start to finish Every American who reads this book will be surprised by what their teachers did not reveal about Lincolns assassination The book is a must read for those interested in the Civil War and for anyone who admires Abraham Lincoln
