

Dear Families,  
 I will be sending home student work periodically. Sometimes they will just get a check mark for completing the work. Other times I will use a smiley Face scale that correlates with our report card scoring categories.

1	2	3	4
			
<b>Below</b> Students will receive a 1 if they are not where the district expects students to be at this point in the year for a standard. We will begin reteaching to help this student approach the standard expectations.	<b>Approaching</b> Students will receive a 2 if they are actively making progress towards the expectations for the standard. We will be working to help clarify any misconceptions or close any gaps in the student's understanding.	<b>On Track</b> Students will receive a 3 if they are on track to meet a standard. This means they are performing how we would expect them to perform. This student will continue to receive instruction to help them master the standard.	<b>Mastered</b> Students will only receive a score of 4 when they have mastered the standard. Meaning they are consistently showing that they understand can do everything that is listed in a standard.

We will be teaching the students to use this same smiley Face scale to self-evaluate their current understanding of a particular topic. If you have any questions do not hesitate to contact us. Thank you for being an active participant in your child's education.
