Labour of Love Akenna C. Kublal, 2022-03-31 Labour of Love takes you along a journey through the experiences and life of a young Caribbean woman searching for love and validation in the things of the world Over time her journey takes her on one of self discovery and self mastery as her skin changes and her physical appearance gives her the look of someone she could no longer recognize Her new outward appearance causes her to look deeper at who she was on the inside and search the heart of God to see where he truly wanted her to be and discover who he called her to be even before she discovered this herself As you walk through this journey with her she will take you through nine chapters almost to mimic the pregnancy and birthing process of a woman carrying a baby Her story will take you along the path of her childhood into her adulthood to share with you how trauma affects our choices how mistakes make room for motivation and how Pain will bring you to your place of PURPOSE

Leanne's Journey J. R. Runnels, The wind howled like a banshee clawing at the ancient stone of Blackwood Manor its icy fingers rattling the leaded windows Inside Count Vlad a creature of both immense power and profound solitude sat bathed in the flickering light of a vast fireplace The flames danced in a macabre ballet casting long distorted shadows that writhed across the intricately carved oak paneling He was a study in contrasts a man of breathtaking beauty his pale skin stretched taut over sharp cheekbones his eyes the color of a stormy night cobalt blue to obsidian black yet his features held the harsh angles of a predator etched by centuries of darkness and a life lived far beyond the boundaries of mortality He sighed a sound like the rustling of dry leaves in the autumn wind He turned from the window his eyes falling upon a single perfect white orchid sitting in a crystal vase on his desk The delicate flower with its exquisite petals and intoxicating fragrance was a stark contrast to the grim reality of his life It was a gift a rare and precious thing one he'd sent to Leanne only hours before The thought of her a flicker of warmth in his otherwise desolate existence brought a faint smile to his lips Leanne was an anomaly a woman who somehow saw beyond the darkness that cloaked him who saw the heart of a man hidden beneath layers of cynicism and power She was his refuge his only true connection to the world of mortals Their bond was not a love story in the traditional sense rather an intricate dance between two souls seeking solace in a world consumed by shadows A quiet comfort in the darkness a fragile understanding that bloomed in the most unlikely of places And tonight he found himself anticipating her next visit her soft presence a glimmer of hope in the overwhelming solitude of

his immortal existence Her past was not a gentle tapestry woven with threads of joy and comfort It was a harsh unforgiving landscape scarred by loss and etched with the marks of trauma Alexander then a mere lieutenant in Vlad s army was a figure sculpted from the very essence of the Carpathians themselves strong silent and impossibly lethal His eyes the color of an erupting volcano crimson red held a chilling intensity that spoke of countless battles fought and won his movements as fluid and deadly as a panther s But even in the midst of carnage a different kind of beauty bloomed It was in the quiet moments between battles amidst the ravaged landscape that Alexander met Leanna He had found her in town of Vlad s garden within his castle walls They started eating lunch together whenever they could Stolen moments during the day where Vlad could not touch them He did not know the extent of Vlad s obsession with Leanne or their lost connection Leanna with her hair the color of spun moonlight and eyes that held the wisdom of ages was the antithesis of the brutal world that surrounded them Her laughter a tinkling bell in the shadowed forests was a balm to Alexander s wounded soul a counterpoint to the constant symphony of violence that echoed through the Carpathians Vlad s rage was a physical thing a tangible heat that radiated from him as he tore through the opulent chambers of Blackwood Castle He d spent weeks months even away leading his brutal campaign across the ravaged northern territories his mind constantly returning to the vision of Leanne her laughter echoing faintly in the clang of steel and the screams of his enemies He d entrusted her safety to Alexander his most loyal or so he d thought knight a man bound to him by oaths of fealty older than the kingdom itself Who will Leanne choose to have a life with
