for the guidance of teachers.

0580 MATHEMATICS

0580/02

Paper 2 (Extended), maximum raw mark: 70

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners made judgements on awarding marks. It does not include the details of the discussions that took place at an Examiners' meeting before marking begins, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

or CIE will enter into discussions in correspondence or consultation with these mark schemes.

CIE is publishing the mark schemes for the October/November 2016 question papers for most IGCSE, OCE, Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
