

# LOVE MAPPING EXERCISE

The Love Mapping exercise is a key component of the Gottman Method, designed to enhance emotional intimacy and connection between partners. It involves creating a detailed mental map of each other's lives, including personal histories, dreams, and preferences. This exercise promotes understanding and fosters a strong foundation for the relationship.

## Step 1: Set the Stage

- **Choose a Comfortable Setting:** Find a quiet, comfortable space where you can talk without distractions. This could be at home, during a walk, or in a cozy cafe.
- **Allocate Enough Time:** Set aside at least 30-60 minutes for this exercise to allow for open conversation and exploration.

## Step 2: Explain the Purpose

- **Discuss the Importance of Love Maps:** Explain that Love Mapping is about deepening your understanding of each other's inner worlds. It helps you stay connected and aware of each other's needs, desires, and experiences.

## Step 3: Take Turns Asking Questions

Each partner will take turns answering questions. Begin with one partner asking questions and then switch roles. Try to make the conversation flow naturally, and feel free to ask follow-up questions based on the answers provided.

## Step 4: Meaningful Questions to Ask

Here are some meaningful questions to guide your Love Mapping exercise. These questions cover various aspects of life, including personal history, preferences, dreams, and important relationships.

### 1. Personal History

- What is your earliest memory?
- Who were your childhood heroes, and why?

### 2. Dreams and Aspirations

- What are your biggest dreams or goals for the future? -
- If you could achieve one thing in your life, what would it be?
- What are some experiences you want to have together as a couple?
- What does success look like to you?
- How do you envision your life in five or ten years?

### 3. Relationships and Support
