*Quick Studies - Joshua - Esther* David Cook, 1994 45 high impact studies with reproducible resources

*In and Out of Church* Steven M. Tipton, 2024-09-16 Why are so many Americans leaving church Half no longer belong to a congregation A quarter now say they are unchurched up from one in six a decade ago and one in twelve a generation ago led by more than a third of young adults Where have they gone and what are they doing instead What moves them What should we make of it What can we learn as well from those who have stayed or returned and from congregations that have sparked their continuing commitment or renewed participation After decades of drift and several long years of grievous pandemic that shut church doors and crowded the internet the time has come to weigh these questions more closely and answer them more carefully We need to open a keener moral inquiry into the arc of spiritual change in America We need to probe a thicker cultural account of intergenerational religious influence and inspiration that we practice today in forms of ritual action sacred expression and moral community that reach far beyond the pews In and Out of Church tackles these tasks It s a book voiced by spiritually attuned morally articulate young adults adrift from the churches and temples of their childhood yet immersed in currents of spiritual practice and imagination now shifting the shape and course of American religion In heartfelt dialogue with their baby boom parents these Millennials ponder how and why they got here in terms that open up and deepen the spiritual but not religious story sketched by surveys of religious nones This book brings these numbers to life and makes moral sense of this story of individuals leaving church by setting it within the larger cultural drama of modern multiplex society and quicksilver selfhood in search of authentic fulfillment in caring community It takes the reader inside a mushrooming

megachurch in Silicon Valley and three thriving mainline congregations in Atlanta to see how they reach out to unchurched young adults and hold onto their own as they come of age by putting belonging before believing and behaving They lift up spiritual experience above creed and code and they challenge conventions of organized religion in ways that many spiritual and religious churchgoers have now come to embrace      **Noah's Park Children's Church Leader's Guide, Red Edition**, 2007 The crafts in this book coordinate with each lesson in the Noah s Park Leader s Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session
